18 applying for registration or for a vehicle of the 1984 or a

10 to the next higher whole dollar when the computation results in a
11 figure ending in 51 cents or more, unless specific taxes are
12 specified, and the secretary of state may accept the manufacturer's
13 shipping weight of the vehicle fully equipped for the use for which
14 the registration application is made. If the weight is not

16 shall determine the actual weight. Each application for
17 registration of a vehicle under subdivisions (j) and (m) shall have
18 attached to the application a scale weight receipt of the vehicle
19 fully equipped as of the time the application is made. The scale
20 weight receipt is not necessary if there is presented with the
21 application a registration receipt of the previous year that shows
22 on its face the weight of the motor vehicle as registered with the
23 secretary of state and that is accompanied by a statement of the
24 applicant that there has not been a structural change in the motor

18 of \$10.00 for each registration renewed after the expiration date.
19 An application for a renewal of a registration using the regular
20 mail and postmarked before the expiration date of that registration
21 shall not be assessed a late fee. The late fee collected under this
22 subsection shall be deposited into the general fund. The secretary
23 of state shall waive the late fee collected under this subsection
24 if all of the following are satisfied:

25 (a) The registrant presents proof of storage insurance for the
26 vehicle for which the late fee is assessed that is valid for the
27 period of time between the expiration date of the most recent
