(a) For an individual who presents a receipt issued by a department of state office, a designated voter registration agency, or the elector's county, city, or township clerk's office verifying the acceptance of a voter registration application ~~before the close of registration~~ and completes a new voter registration application, the election inspector shall allow the

1 individual to vote a ballot in the same manner as an elector  
2 whose name is listed on the voter registration list.

3 (b) For an individual who does not present a receipt  
4 verifying the acceptance of a voter registration application  
5 under subdivision (a), the election inspector shall determine  
6 whether the individual is in the appropriate polling place based  
7 on residence information provided by the individual. The election  
8 inspector shall review any documents or maps in the polling place  
9 or communicate with the city or township clerk to verify the  
10 appropriate polling place for the individual. The election

19 execute a sworn statement affirming that the individual submitted  
20 a voter registration application **ON OR** before ~~the close of~~  
21 ~~registration~~ **ELECTION DAY** and is eligible to vote in the

6 (3) The election inspector shall contact the city or  
7 township clerk to verify whether the individual who signed the  
8 sworn statement under subsection (2) is listed in the  
9 registration records of the jurisdiction or whether there is any  
10 information contrary to the content of the sworn statement.

11 (4) If the city or township clerk verifies the elector  
12 information and finds no information contrary to the information  
13 provided by the individual in the sworn statement and the  
14 individual presents identification for election purposes that  
15 contains a current residence address to establish his or her  
16 identity and residence address, the individual is permitted to  
17 vote a provisional ballot that is tabulated on election day in  
18 the same manner as an elector whose name is listed on the voter  
19 registration list, except that the election inspectors shall  
20 process the ballot as a challenged ballot under sections 745 and  
21 746.

22 (5) If the election inspector is not able to contact the  
23 city or township clerk, the individual is not in the correct  
24 precinct, or the individual is unable to present identification  
25 for election purposes that contains a current residence address,  
26 the individual must be issued a provisional ballot that is not  
27 tabulated on election day but is secured for verification after

1 the election. A provisional ballot must also be issued under this  
2 subsection to a voter who presents identification for election  
3 purposes that does not bear the voter's current residence  
4 address, if the voter also presents a document to establish the  
5 voter's current residence address. The election inspector shall  
6 accept a document containing the name and current residence  
7 address of the voter as sufficient documentation to issue a  
8 provisional ballot if it is 1 of the following documents:

14 ballot return envelope prescribed by the secretary of state and  
15 delivered to the city or township clerk after the polls close in  
16 a manner as prescribed by the secretary of state.

17 (7) For a provisional ballot voted under subsection (4), the  
18 election inspector shall provide the voter with a notice that his  
19 or her ballot has been tabulated. For a provisional ballot voted  
20 under subsection (5), the election inspector shall provide the  
21 voter with a notice that the voter's information will be verified  
22 by the clerk of the jurisdiction within 6 days after the election  
23 to determine whether the ballot will be tabulated and, if the  
24 ballot is not tabulated, to determine the reason it was not  
25 tabulated. A clerk of a jurisdiction shall provide a free access  
26 system for the voter to determine whether the ballot was  
27 tabulated. The free access system may include a telephone number

1 that does not require a toll charge, a toll-free telephone  
2 number, an internet website, or a mailed notice.

3 (8) As used in this section and sections 813 and 829,  
4 "provisional ballot" means a special ballot utilized for an  
5 individual who is not listed on the voter registration list at  
6 the polling place that is tabulated only after verification of
