19 postrelease treatment. The programs shall employ a multifaceted
20 approach to treatment, including a long-acting nonaddictive

22 treatment of opioid and alcohol dependence, counseling, and
23 postrelease referral to community-based providers.

24 (2) The manufacturer of a long-acting nonaddictive medication
25 approved by the Food and Drug Administration for opioid and alcohol

27 medication, at no cost to the department, during the duration of

1 the medication-assisted treatment offender success pilot programs.

18 received injections and tested positive for drugs or alcohol, the
19 number of offenders who received injections in the community for a
20 duration of at least 3 months, and the number of offenders who
21 received injections and were subsequently returned to prison.

22 Sec. 426. From the funds appropriated in part 1, the
23 department shall ensure that any inmate with a diagnosed mental
24 illness is referred to a local mental health care provider that is
25 able and willing to treat the inmate upon parole or discharge. The
26 department shall ensure that the provider is informed of the
27 inmate's current treatment plan including any medications that are

1 currently prescribed to the inmate.

2 Sec. 437. (1) Funds appropriated in part 1 for Goodwill Flip
3 the Script shall be distributed to a Michigan-chartered 501(c)(3)

24 involved with the curfew monitoring program shall reimburse the
25 department for costs associated with their participation in the
26 program. The department may require community service work

1 reimbursement as a means of payment for those able-bodied
2 individuals unable to pay for the costs of the equipment.

3 (2) Program participant contributions and local program
4 reimbursement for the curfew monitoring program appropriated in
5 part 1 are related to program expenditures and may be used to
6 offset expenditures for this purpose.

7 (3) Included in the appropriation in part 1 is adequate
8 funding to implement the curfew monitoring program to be
9 administered by the department. The curfew monitoring program is
10 intended to provide sentencing judges and county sheriffs in
11 coordination with local community corrections advisory boards
12 access to the state's curfew monitoring program to reduce prison
13 admissions and improve local jail utilization. The department shall
14 determine the appropriate distribution of the curfew monitor units
15 throughout the state based upon locally developed comprehensive
16 corrections plans under the community corrections act, 1988 PA 511,
17 MCL 791.401 to 791.414.

18 (4) For a fee determined by the department, the department

22 regarding county program participants. Counties are responsible for
23 curfew monitor equipment installation and service. For an
24 additional fee as determined by the department, the department
25 shall provide staff to install and service the equipment. Counties
26 are responsible for the coordination and apprehension of program
27 violators.

1 (5) Any county with curfew monitor charges outstanding over 60
2 days shall be considered in violation of the community curfew
3 monitor program agreement and lose access to the program.

15 information on all of the following:

16 (a) Monthly new participants by type of offender. Residential
17 reentry program participants shall be categorized by reason for
18 placement. For technical rule violators, the report shall sort
19 offenders by length of time since release from prison, by the most
20 recent violation, and by the number of violations occurring since
21 release from prison.

6 (j) Analysis of the impact on prison admissions and jail
7 utilization and the cost effectiveness of the program.

8 Sec. 612. (1) The department shall review and revise as
9 necessary policy proposals that provide alternatives to prison for
10 offenders being sentenced to prison as a result of technical
11 probation violations and technical parole violations. To the extent
12 the department has insufficient policies or resources to affect the
13 continued increase in prison commitments among these offender
14 populations, the department shall explore other policy options to
15 allow for program alternatives, including department or OCC-funded
16 programs, local level programs, and programs available through
17 private agencies that may be used as prison alternatives for these
18 offenders.

19 (2) By April 1, the department shall provide a report to the
20 senate and house appropriations subcommittees on corrections, the
21 senate and house fiscal agencies, the legislative corrections
22 ombudsman, and the state budget office on the number of all
23 parolees returned to prison and probationers sentenced to prison
24 for either a technical violation or new sentence during the

15 equivalency while in prison, and how many received a vocational
16 certificate while in prison.

17 (d) The number of offenders who participated in the reentry
18 program versus the number of those who did not.

19 (e) The unduplicated number of offenders who participated in
20 substance abuse treatment programs, mental health treatment
21 programs, or both, while in prison, itemized by diagnosis.

22 Sec. 615. (1) The department shall submit a report detailing
23 the number of prisoners who have received life imprisonment
24 sentences with the possibility of parole and who are currently
25 eligible for parole to the senate and house appropriations
26 subcommittees on corrections, the senate and house fiscal agencies,
27 the legislative corrections ombudsman, and the state budget office

11 residential alternative to prison program, the department shall
12 provide vocational, educational, and cognitive programming in a
13 secure environment to enhance existing alternative sentencing
14 options, increase employment readiness and successful placement
15 rates, and reduce new criminal behavior for the west Michigan
16 probation violator population. The department shall measure and set
17 the following metric goals:

18 (a) 85% of participants successfully complete the program.

19 (b) Of the participants that complete the program, 75% will
20 earn a nationally recognized credential for career and vocational
21 programs.

22 (c) Of the participants that complete the program, 100% will
23 earn a certificate of completion for cognitive programming.

24 (d) The prison commitment rate for probation violators will be
25 reduced by 5% within the impacted geographical area after the first
26 year of program operation.

1 **HEALTH CARE**

2 Sec. 802. As a condition of expenditure of the funds
3 appropriated in part 1, the department shall provide the senate and
4 house appropriations subcommittees on corrections, the senate and
5 house fiscal agencies, the legislative corrections ombudsman, and
6 the state budget office with quarterly reports on physical and
7 mental health care detailing quarterly and fiscal year-to-date
8 expenditures itemized by vendor, allocations, status of payments
9 from contractors to vendors, and projected year-end expenditures

13 care provider itemized by physical health care, mental health care,
14 and pharmacy expenditures.

15 Sec. 803. (1) The department shall assure that all prisoners,
16 upon any health care treatment, are given the opportunity to sign a
17 release of information form designating a family member or other
18 individual to whom the department shall release records information
19 regarding a prisoner. A release of information form signed by a
20 prisoner shall remain in effect for 1 year, and the prisoner may
21 elect to withdraw or amend the release form at any time.

22 (2) The department shall assure that any such signed release
23 forms follow a prisoner upon transfer to another department
24 facility or to the supervision of a parole officer.

25 (3) The form shall be placed online, on a public website
26 managed by the department.

27 Sec. 804. The department shall report quarterly to the senate

1 and house appropriations subcommittees on corrections, the senate
2 and house fiscal agencies, the legislative corrections ombudsman,
3 and the state budget office on prisoner health care utilization.

7 facility.

8 Sec. 807. The funds appropriated in part 1 for Hepatitis C
9 treatment shall be used only to purchase specialty medication for
10 Hepatitis C treatment in the prison population. In addition to the
11 above appropriation, any rebates received from the medications used
12 shall be used only to purchase specialty medication for Hepatitis C
13 treatment. On a biannual basis, the department shall issue a report
14 to the senate and house appropriations subcommittees on
15 corrections, the senate and house fiscal agencies, the legislative
16 corrections ombudsman, and the state budget office, providing the
17 total amount spent on specialty medication for the treatment of
18 Hepatitis C, the number of prisoners that were treated, the amount
19 of any rebates that were received from the purchase of specialty
20 medication, and what outstanding rebates are expected to be
21 received.

22 Sec. 812. (1) The department shall provide the department of
23 health and human services with a monthly list of prisoners newly
24 committed to the department of corrections. The department and the
25 department of health and human services shall enter into an
26 interagency agreement under which the department of health and
27 human services provides the department of corrections with monthly

1 lists of newly committed prisoners who are eligible for Medicaid
2 benefits in order to maintain the process by which Medicaid
3 benefits are suspended rather than terminated. The department shall
4 assist prisoners who may be eligible for Medicaid benefits after
5 release from prison with the Medicaid enrollment process prior to
6 release from prison.

7 (2) The department shall provide the senate and house
8 appropriations subcommittees on corrections, the senate and house
9 fiscal agencies, the legislative corrections ombudsman, and the
10 state budget office with quarterly updates on the utilization of
11 Medicaid benefits for prisoners.

12 Sec. 816. By April 1, the department shall provide the senate
13 and house appropriations subcommittees on corrections, the senate
14 and house fiscal agencies, the legislative corrections ombudsman,
15 and the state budget office with a report on pharmaceutical
16 expenditures and prescribing practices. In particular, the report

2 part of the program.

3 Sec. 902. All inmates working in prison kitchens shall
4 complete the minimum requirements for a ServSafe Food Handler
5 certificate before being allowed to work in the kitchens.
6 Requirements shall be met by using online materials unless the
7 department determines the program would be best served by using
8 other materials.

9 Sec. 903. (1) All department-operated prisoner food service
10 operations shall be annually inspected to ensure they meet food
11 safety standards established for food service establishments under
12 the food law, 2000 PA 92, MCL 289.1101 to 289.8111, or for food
13 service establishments under the 2001 food code published by the
14 Food and Drug Administration of the Public Health Service of the
15 Department of Health and Human Services. Funds appropriated in part
16 1 for prison kitchen inspections shall be used for costs to
17 implement this section and for inspecting prison food service
18 operations.

19 (2) Nothing in this section shall be construed to remove the
20 exemption under section 1107(p) of the food law, 2000 PA 92, MCL

5 inspection and compliance costs for food service.

6 (b) Food service-related contracts, including goods or
7 services to be provided and the vendor.

8 (c) Major sanitation violations.

9 Sec. 904. The department shall calculate the per prisoner/per
10 day cost for each prisoner security custody level. This calculation
11 shall include all actual direct and indirect costs for the previous
12 fiscal year, including, but not limited to, the value of services
13 provided to the department by other state agencies and the
14 allocation of statewide legacy costs. To calculate the per
15 prisoner/per day costs, the department shall divide these direct
16 and indirect costs by the average daily population for each custody
17 level. For multilevel facilities, the indirect costs that cannot be
18 accurately allocated to each custody level can be included in the
19 calculation on a per-prisoner basis for each facility. A report
20 summarizing these calculations and the direct and indirect costs
21 included in them shall be submitted to the senate and house
22 appropriations subcommittees on corrections, the senate and house

1 the custody of the department in county jails rather than in state
2 correctional facilities.

3 (2) A county may volunteer to participate in the county jail
4 bed program and house eligible prisoners sentenced to the custody
5 of the department in its county jails.

6 (3) If a county participating in the county jail bed program
7 has available bed space in its county jail and the department has
8 prisoners in its custody meeting the eligibility requirements under

10 the county jail.

11 (4) A prisoner shall meet all of the following eligibility
12 requirements to be placed in a county jail under this section:

17 violation or attempted violation of section 520b, 520c, 520d, 520e,
18 or 520g of the Michigan penal code, 1931 PA 328, MCL 750.520b,
19 750.520c, 750.520d, 750.520e, and 750.520g.

20 (c) The prisoner is serving a fixed sentence with a determined
21 discharge date.

13 in a program and not subsequently reenrolled, the number of
14 prisoners enrolled who are repeating the program, and the number of
15 prisoners on waiting lists for each program, all itemized by

17 (c) The steps the department has undertaken to improve
18 programs, track records, accommodate transfers and prisoners with
19 health care needs, and reduce waiting lists.

20 (d) The number of prisoners paroled without a high school
21 diploma and the number of prisoners paroled without a high school
22 equivalency.

23 (e) An explanation of the value and purpose of each program,
24 for example, to improve employability, reduce recidivism, reduce
25 prisoner idleness, or some combination of these and other factors.

26 (f) An identification of program outcomes for each academic
27 and vocational program.

9 encourage the Michigan Braille transcribing fund program to produce
10 high-quality materials for use by the visually impaired.

11 Sec. 911. By March 1, the department shall report to the
12 senate and house appropriations subcommittees on corrections, the
13 senate and house fiscal agencies, the legislative corrections
14 ombudsman, and the state budget office the number of critical
15 incidents occurring each month by type and the number and severity
16 of assaults, escape attempts, suicides, and attempted suicides
17 occurring each month at each facility during the immediately
18 preceding calendar year.

19 Sec. 912. The department shall report monthly to the senate
20 and house appropriations subcommittees on corrections, the senate
21 and house fiscal agencies, the legislative corrections ombudsman,
22 and the state budget office on the ratio of correctional officers
23 to prisoners for each correctional institution, the ratio of shift
24 command staff to line custody staff, and the ratio of noncustody
25 institutional staff to prisoners for each correctional institution.

26 Sec. 913. (1) From the funds appropriated in part 1, the
27 department shall focus on providing required programming to

1 prisoners who are past their earliest release date because of not
2 having received the required programming. Programming includes, but
3 is not limited to, violence prevention programming, assaultive
4 offender programming, sexual offender programming, substance abuse
5 treatment programming, thinking for a change programming, and any
6 other programming that is required as a condition of parole.

20 backlogs for programming that may exist.

21 Sec. 924. The department shall evaluate all prisoners at
22 intake for substance abuse disorders, serious developmental
23 disorders, serious mental illness, and other mental health
24 disorders. Prisoners with serious mental illness or serious
25 developmental disorders shall not be removed from the general
26 population as a punitive response to behavior caused by their
27 serious mental illness or serious developmental disorder. Due to

1 persistent high violence risk or severe disruptive behavior that is
2 unresponsive to treatment, prisoners with serious mental illness or
3 serious developmental disorders may be placed in secure residential
4 housing programs that will facilitate access to institutional
5 programming and ongoing mental health services. A prisoner with
6 serious mental illness or serious developmental disorder who is
7 confined in these specialized housing programs shall be evaluated
8 or monitored by a medical professional at a frequency of not less
9 than every 12 hours.

5 receiving annual training under that curriculum.

6 (b) Provide appropriate placement for prisoners less than 18
7 years of age who have serious mental illness, serious emotional
8 disturbance, or a serious developmental disorder and need to be
9 housed separately from the general population. Prisoners less than
10 18 years of age who have serious mental illness, serious emotional
11 disturbance, or a serious developmental disorder shall not be
12 removed from an existing placement as a punitive response to
13 behavior caused by their serious mental illness, serious emotional
14 disturbance, or a serious developmental disorder. Due to persistent
15 high violence risk or severe disruptive behavior that is
16 unresponsive to treatment, prisoners less than 18 years of age with
17 serious emotional disturbance, serious mental illness, or serious
18 developmental disorders may be placed in secure residential housing
19 programs that will facilitate access to institutional programming
20 and ongoing mental health services. A prisoner less than 18 years
21 of age with serious mental illness, serious emotional disturbance,

27 recognizes the needs of prisoners less than 18 years old for

1 supervised offender success.

2 Sec. 930. The department shall submit an annual report to the
3 senate and house appropriations subcommittees on corrections, the
4 senate and house fiscal agencies, the legislative corrections
5 ombudsman, and the state budget office on the number of youth in
6 prison. The report shall include, but not be limited to, the
7 following information:

8 (a) The total number of inmates under age 18 who are not on
9 Holmes youthful trainee act status.

10 (b) The total number of inmates under age 18 who are on Holmes
11 youthful trainee act status.

12 (c) The total number of inmates aged 18 to 23 who are on
13 Holmes youthful trainee act status.

14 Sec. 940. (1) Any lease, rental, contract, or other legal
15 agreement that includes a provision allowing a private person or
16 entity to use state-owned facilities or other property to conduct a
17 for-profit business enterprise shall require the lessee to pay fair
18 market value for the use of the state-owned property.

19 (2) The lease, rental, contract, or other legal agreement
20 shall also require the party using the property to make a payment
21 in lieu of taxes to the local jurisdictions that would otherwise
22 receive property tax revenue, as if the property were not owned by
23 the state.

24 Sec. 942. The department shall ensure that any contract with a
25 public or private party to operate a facility to house state
26 prisoners includes a provision to allow access by both the office
27 of the legislative auditor general and the office of the

1 legislative corrections ombudsman to the facility and to
2 appropriate records and documents related to the operation of the
3 facility. These access rights for both offices shall be the same
4 for the contracted facility as for a general state-operated

11 amounts shall be itemized by facility. Information required by this
12 section shall start with the closure of the Pugsley Correctional
13 Facility, which closed in September of 2016.

14 Sec. 944. When the department is planning to close a
15 correctional facility, the department shall fully consider the
16 potential economic impact of the prison closure on the community
17 where the facility is located. The department, when weighing all
18 factors related to the closure of a facility, shall also consider
19 the impact on the local community where the facility to be closed
20 is located.

21 **MISCELLANEOUS**

22 Sec. 1009. The department shall make an information packet for
23 the families of incoming prisoners available on the department's
24 website. The information packet shall be updated by February 1. The

8 external advocacy groups and actual families of prisoners in the
9 packet-writing process to ensure that the information is useful and
10 complete.

11 Sec. 1011. The department may accept in-kind services and
12 equipment donations to facilitate the addition of a cable network
13 that provides programming that will address the religious needs of
14 incarcerated individuals. This network may be a cable television
15 network that presently reaches the majority of households in the
16 United States. A bilingual channel affiliated with this network may
17 also be added to department programming to assist the religious
18 needs of Spanish-speaking inmates. The addition of these channels
19 shall be at no additional cost to this state.

20 Sec. 1013. From the funds appropriated in part 1, priority may
21 be given to funding reentry or rehabilitation programs that have
22 been demonstrated to reduce prison violence and recidivism,
23 including faith-based initiatives.

24 **ONE-TIME APPROPRIATIONS**

25 Sec. 1100. From the funds appropriated in part 1 for new
