Local road and bridge bundling initiative	\$ 300,000,000
---	----------------

DEPARTMENT OF TREASURY

Disaster relief	\$ 58,400
-----------------	-----------

TOTAL	\$ 343,221,200
--------------	-----------------------

Sec. 202. The appropriations made and expenditures authorized under this part and part 1 and the departments, commissions, boards, offices, and programs for which appropriations are made under this part and part 1 are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. If the state administrative board, acting under section 3 of 1921 PA 2, MCL 17.3, transfers funds from an amount appropriated under this act, the legislature may, by a concurrent resolution adopted by a majority of the members elected to and serving in each house, inter-transfer funds within this act for the particular department, board, commission, office, or institution.

Sec. 204. Funds appropriated in part 1 are subject to applicable federal audit and reporting requirements. Prompt action shall be taken if instances of noncompliance are identified, including noncompliance identified in an audit finding. If any instance of noncompliance is identified, including noncompliance

identified in an audit finding, the state budget director shall take necessary and immediate action to rectify it. The state budget director shall notify the senate and house appropriations committees and the senate and house fiscal agencies when an instance of noncompliance is identified.

Sec. 205. The state budget director shall report on the status of funds appropriated in part 1, and all funds appropriated related to the coronavirus relief effort, to the senate and house appropriations committees and the senate and house fiscal agencies on a monthly basis until all funds are exhausted.

Sec. 206. (1) Pursuant to section 352 of the management and budget act, 1984 PA 431, MCL 18.1352, which provides for a transfer of state general fund revenue into or out of the countercyclical budget and economic stabilization fund, the calculations required by section 352 of the management and budget act, 1984 PA 431, MCL 18.1352, are determined as follows:

	2019	2020	2021
Michigan personal income (millions)	\$502,540	\$513,596	\$503,324
less: transfer payments	105,366	140,870	113,775

Percentage change	N/A	-6.2%	3.4%
Growth rate in excess of 2%?	N/A	0.0%	1.4%
Equals: countercyclical budget and economic stabilization fund pay-in			

1	calculation for the fiscal year ending			
2	September 30, 2021 (millions)	N/A	NO	NO
3	Growth rate less than 0%?	N/A	YES	NO
4	Equals: countercyclical budget and			
5	economic stabilization fund pay-out			
6	calculation for the fiscal year ending			
7	September 30, 2020 (millions)	N/A		\$287.2

8 (2) Notwithstanding subsection (1), there is appropriated for
 9 the fiscal year ending September 30, 2021 from general fund/general
 10 purpose revenue for deposit into the countercyclical budget and
 11 economic stabilization fund the sum of \$385,000,000.00.

12 Sec. 207. Funds appropriated in part 1 for premium pay for
 13 frontline employees must not be spent or otherwise distributed
 14 unless House Bill No. 4082 of the 101st Legislature is enacted into
 15 law.

16

17 **DEPARTMENT OF CORRECTIONS**

18 Sec. 301. Funds appropriated in part 1 for chance for life
 19 shall be allocated by the department to the chance for life program
 20 to provide evidence-based mentoring, employment soft skills
 21 training, and job placement assistance, and to train individuals in
 22 critical thinking skills, mediation, and conflict resolution.
 23 Training needs to help support COVID-19 related changes to the job
 24 market including health risks associated with the spread of
 25 infection in the workplace. Returning citizens shall be taught,
 26 among other things, how to safely interact with family members who
 27 may be exposed to COVID-19 and how to reduce incidents that are a
 28 direct or indirect result of COVID-19.

29 Sec. 302. The unexpended funds appropriated in part 1 for Does

1 v MDOC settlement agreement are designated as a work project
2 appropriation. Any unencumbered or unallotted funds shall not lapse
3 at the end of the fiscal year and shall be available for
4 expenditures for projects under this section until the projects
5 have been completed. The following is in compliance with section
6 451a(1) of the management and budget act, 1984 PA 431, MCL
7 18.1451a:

8 (a) The purpose of the work project is to satisfy the state's
9 financial obligation under the settlement agreement entered in the
10 cases of *John Does 11-18 and Jane Doe 1, et al. v Michigan*
11 *Department of Corrections*, Case No. 13-1196-CZ and *John Does 1-10,*
12 *et al. v Michigan Department of Corrections*, Case No. 15-1006-CZ in
13 the circuit court for the county of Washtenaw.

14 (b) The projects will be accomplished by utilizing state
15 employees or contracts with service providers, or both.

16 (c) The total estimated cost of the work project is
17 \$40,000,000.00.

18 (d) The tentative completion date is September 30, 2023.
19

20 **DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY**

21 Sec. 351. The unexpended funds appropriated in part 1 for
22 superfund cleanup are designated as a work project appropriation.
23 Any unencumbered or unallotted funds shall not lapse at the end of
24 the fiscal year and shall be available for expenditures for
25 projects under this section until the projects have been completed.
26 The following is in compliance with section 451a of the management
27 and budget act, 1984 PA 431, MCL 18.1451a:

28 (a) The purpose of the project is to provide contaminated site
29 cleanup.

1 (b) The project will be accomplished by utilizing contracts
2 with service providers.

3 (c) The total estimated cost of the project is \$10,000,000.00.

4 (d) The tentative completion date is September 30, 2025.

5 Sec. 352. From the funds appropriated in part 1 for
6 contaminated site remediation, the department shall conduct
7 environmental remediation activities at contaminated sites in
8 accordance with part 201 of the natural resources and environmental
9 protection act, 1994 PA 451, MCL 324.20101 to 324.20142.

10 Sec. 353. (1) From the funds appropriated in part 1 for high
11 water infrastructure grants, the department shall develop a
12 competitive grant program to support the planning efforts of local
13 communities to prepare for and strengthen their resiliency in
14 relation to severe weather events, as well as provide
15 infrastructure grants that directly address the impacts and
16 vulnerabilities presented by those adverse conditions.

17 (2) A total of \$2,500,000.00 shall be designated for planning
18 grants that focus on the development of the following:

19 (a) Local action plans.

20 (b) Resiliency plans for communities impacted by high water
21 levels and coastal erosion.

22 (c) Resiliency plans for communities with undersized
23 infrastructure such as culverts or sanitary storm sewers.

24 (d) Zoning/planning ordinances for communities to prevent
25 severe weather impacts and adopt mitigation tools.

26 (3) A total of \$37,500,000.00 shall be designated for
27 infrastructure grants that focus on, but are not limited to,
28 projects that address flooding, coastline erosion, transportation
29 networks, urban heat, and stormwater management.

1 (4) Eligible participants of this grant program are regional
2 councils of government and local units of government. A local unit
3 of government may act as a primary project sponsor and fiduciary
4 for a grant that includes partnerships or consortiums with other
5 public or nonprofit organizations.

6 (5) No planning grant may exceed \$200,000.00, and no
7 infrastructure grant may exceed \$2,500,000.00. A 25% match is
8 required for all grants.

9 (6) The department shall develop the grant program, selection
10 criteria, timelines, and reporting and other requirements. Grant
11 program information will be published in an accessible location on
12 the department's internet site. The department may partner with
13 other state agencies as necessary to develop and operate the
14 program.

15 Sec. 354. (1) From the funds appropriated in part 1 for PFAS
16 program, \$15,000,000.00 is allocated for a grant program for
17 municipal airports for costs of monitoring and additional testing
18 related to PFAS testing results. From the remaining funds, the
19 department shall award grants for up to \$5,000,000.00 to community
20 water supply public water systems for contaminant remediation
21 efforts or connection to an alternate system as well as to invest
22 in technologies to address contaminants in public water systems.

23 (2) On or before April 1, the department shall transmit to the
24 senate and house appropriations subcommittees, the senate and house
25 fiscal agencies, and the state budget office, and post on the
26 department's website, a report on the previous calendar year's
27 activities funded with PFAS program funds. The report shall include
28 a list of all grantees and award amounts.

29

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Sec. 401. From the funds appropriated in part 1 for community substance use disorder prevention, education, and treatment, \$600,000.00 is allocated as grants to high schools specifically designated for students recovering from a substance use disorder in accordance with section 273a of the mental health code, 1974 PA 258, MCL 330.1273a.

Sec. 402. From the funds appropriated in part 1 for community substance use disorder prevention, education, and treatment, the department shall allocate \$600,000.00 as grants for recovery community organizations to offer or expand recovery support center services or recovery community center services to individuals seeking long-term recovery from substance use disorders in accordance with section 273b of the mental health code, 1974 PA 258, MCL 330.1273b.

Sec. 403. The funds appropriated in part 1 for program of all-inclusive care for the elderly must be used to increase the enrollment cap by a statewide amount of not less than 100 slots.

Sec. 404. From the funds appropriated in part 1 for homeless programs, the department of health and human services shall allocate \$300,000.00 to increase funding for current contracted providers of the emergency shelter program.

Sec. 405. From the funds appropriated in part 1 for hospital airborne pathogen control program, \$5,000,000.00 shall be allocated to hospitals for in-room ceiling-installed and internet of things IoT-connected ultraviolet control technology filtration and cleaning systems or other devices that reduce surface pathogens and airborne contaminants for control of harmful pathogens in the air and on settled surfaces. The control program shall include all of

1 the following parameters:

2 (a) The program shall be a pilot program.

3 (b) The first priority of allocation of funds shall be to
4 hospitals. Other health facilities and education facilities shall
5 also be eligible for funds as a second level of priority.

6 (c) Allocations of funds under the program shall be made to
7 hospitals, other health facilities, and education facilities that
8 are geographically located in the 3 most populous counties in this
9 state.

10 Sec. 406. (1) From the funds appropriated in part 1 for long-
11 term care facility supports, the department of health and human
12 services shall allocate \$100,000,000.00 to provide a \$20.00 per
13 Medicaid day increase to nursing facilities that have experienced a
14 5% or greater decline in the nursing facility's average Medicaid
15 daily census during the last 3 calendar quarters of the fiscal year
16 ending September 30, 2021 when compared to the nursing facility's
17 average Medicaid daily census during the last 3 calendar quarters
18 of the fiscal year ending September 30, 2019. The change in a
19 nursing facility's average Medicaid daily census must be calculated
20 for each calendar quarter separately and a nursing facility may be
21 eligible for reimbursement for 1 or all 3 calendar quarters based
22 on each nursing facility's change in average Medicaid daily census
23 by calendar quarter.

24 (2) The department of health and human services shall develop,
25 and post on its internet site, an application form for nursing
26 facilities to use to request reimbursement.

27 (3) To ensure prompt payment to a qualifying nursing facility,
28 each nursing facility may request reimbursement from the funds
29 appropriated in this section at the end of each calendar quarter

1 using the application form in subsection (2). The department of
2 health and human services must remit any eligible reimbursements
3 within 14 days of receiving a completed application form.

4 Sec. 407. (1) Funds appropriated in part 1 for long-term care
5 facility supports, the department of health and human services
6 shall allocate \$5,000,000.00 to contract with the prosecuting
7 attorneys coordination council for state COVID-19 nursing home
8 processes and policies investigations undertaken by county
9 prosecutors. As a contractual agreement for the funds provided in
10 this section, the prosecuting attorneys coordinating council must
11 create and operate a grant program that provides grants to county
12 prosecutor's offices. Grant funding to county prosecutor's offices
13 must be used for appropriate and reasonable investigations of the
14 processes and policies established by the state in response to
15 COVID-19. The grant awards may be used for determining both of the
16 following:

17 (a) The accuracy of data published by the state on the data
18 reported on positive COVID-19 cases and deaths associated with
19 COVID-19 in long-term care facilities and any discrepancies in the
20 way this data was published, particularly as a result of
21 transferring COVID-19 positive individuals to and from long-term
22 care facilities pursuant to state policies.

23 (b) Compliance with Michigan's freedom of information act,
24 1976 PA 442, MCL 15.231 to MCL 15.246.

25 (2) As a contractual agreement for the funds provided in this
26 section, the prosecuting attorneys coordinating council shall make
27 grants from the funds appropriated to each county prosecutor's
28 office that enters into a grant agreement with the prosecuting
29 attorneys coordinating council for the sole use of supporting

1 expenditures as described in subsection (1). A grant must be
2 disbursed within 30 days after the date that the prosecuting
3 attorneys coordinating council receives a completed and signed
4 grant agreement from the prosecutor's office requesting the grant.

5 (3) As a contractual agreement for the funds provided in this
6 section, the prosecuting attorneys coordinating council shall award
7 not more than \$500,000.00 to any grant applicant.

8 (4) As a contractual agreement for the funds provided in this
9 section, the prosecuting attorneys coordinating council shall
10 develop and post on the prosecuting attorneys coordinating council
11 website the application and program operation, award, and reporting
12 criteria for the program.

13 (5) As a contractual agreement for the funds provided in this
14 section, the prosecuting attorneys coordinating council must
15 require any county prosecutor receiving a grant award from the
16 funds appropriated in this section to submit a report by June 1 to
17 the senate and house committees on appropriations on the use of
18 grant funds under this section, including an assessment of the
19 findings of the investigation and a detailed listing of all
20 expenditures made.

21 (6) By September 1, and annually thereafter, as a contractual
22 agreement for the funds provided in this section, the prosecuting
23 attorneys coordinating council shall submit a report to the senate
24 and house committees on appropriations on the grant program. The
25 report shall include a listing of all counties that applied for
26 funding, all counties that received funding, the amount of funding
27 received by county, and the total amount expended for the program.

28 (7) Unexpended and encumbered funds up to a maximum of
29 \$5,000,000.00 appropriated in part 1 for long-term care facility

1 supports are designated as a work project appropriation. Any
2 unencumbered or unallotted funds shall not lapse at the end of the
3 fiscal year and shall be available for expenditures for projects
4 under this section until the projects have been completed. The
5 following is in compliance with section 451a(1) of the management
6 and budget act, 1984 PA 431, MCL 18.1451a:

7 (a) The purpose of the work project is to appropriately and
8 reasonably investigate state COVID-19 nursing home processes and
9 policies established by the state in response to COVID-19.

10 (b) The work project will be accomplished by contracting with
11 the prosecuting attorneys coordinating council to oversee grants to
12 county prosecutor's offices.

13 (c) The estimated cost of this project is \$5,000,000.00.

14 (d) The tentative completion date for the work project is
15 September 30, 2023.

16 Sec. 408. (1) From the funds appropriated in part 1 for mental
17 health facilities, the department of health and human services
18 shall allocate \$85,000,000.00 for planning and construction of a
19 new Hawthorn Center for children and adolescents.

20 (2) Unexpended and unencumbered funds up to a maximum
21 \$85,000,000.00 in part 1 for mental health facilities are
22 designated as a work project appropriation. Any unencumbered or
23 unallotted funds shall not lapse at the end of the fiscal year and
24 shall be available for expenditures for planning and construction
25 of a new Hawthorn Center for children and adolescents under this
26 section until the work project has been completed. All of the
27 following are in compliance with section 451a(1) of the management
28 and budget act, 1984 PA 431, MCL 18.1451a:

29 (a) The purpose of the work project is to plan and construct a

1 new Hawthorn Center for children and adolescents.

2 (b) The work project will be accomplished by utilizing state
3 employees, contracts, or both.

4 (c) The total estimated completion cost of the work project is
5 \$85,000,000.00.

6 (d) The tentative completion date is September 30, 2025.

7 Sec. 409. (1) From the funds appropriated in part 1 for mental
8 health facilities, the department of health and human services
9 shall allocate \$100,000,000.00 for a competitive grant program for
10 health care providers to increase the number of long-term pediatric
11 psychiatric inpatient hospitals or centers by a total of 120 beds
12 statewide. Grant applicants must identify 20% matching funds as
13 part of the grant application.

14 (2) As part of the competitive grant award process, the
15 department of health and human services must ensure an equitable
16 distribution of grants awards across the state and must meet all of
17 the following:

18 (a) Not less than 10% of the grant funding is awarded within
19 prosperity region 1.

20 (b) Not less than a combined 10% of the grant funding is
21 awarded within prosperity regions 2 and 3.

22 (c) Not less than 10% of the grant funding is awarded within
23 prosperity region 4.

24 (d) Not less than 10% of the grant funding is awarded within
25 prosperity region 5.

26 (e) Not more than 25% of the grant funding is awarded within a
27 single prosperity region.

28 (3) Unexpended and unencumbered funds up to a maximum of
29 \$100,000,000.00 in part 1 for mental health facilities are

1 designated as a work project appropriation. Any unencumbered or
2 unallotted funds shall not lapse at the end of the fiscal year and
3 shall be available for expenditures for competitive grant funding
4 for health care providers to increase the number of long-term
5 pediatric psychiatric inpatient hospitals or centers under this
6 section until the work project has been completed. All of the
7 following are in compliance with section 451a(1) of the management
8 and budget act, 1984 PA 431, MCL 18.1451a:

9 (a) The purpose of the work project is to implement a
10 competitive grant funding program for health care providers to
11 increase the number of long-term pediatric psychiatric inpatient
12 hospitals or centers.

13 (b) The work project will be accomplished by utilizing state
14 employees, contracts, or both.

15 (c) The total estimated completion cost of the work project is
16 \$100,000,000.00.

17 (d) The tentative completion date is September 30, 2025.

18 Sec. 410. From the funds appropriated in part 1 for mental
19 health facilities, the department of health and human services
20 shall allocate \$3,000,000.00 to a nonprofit health care system
21 organized under the laws of this state that is exempt from federal
22 income tax under section 501(c)(3) of the internal revenue code of
23 1986, 26 USC 501, that is located in a county with a population
24 between 25,000 and 27,000 and in a city with a population between
25 4,500 and 5,000 according to the most recent federal decennial
26 census for the purpose of supporting an emergency department unit
27 and additional psychiatric beds that's services include, but are
28 not limited to, patient emergency behavioral health needs.

29 Sec. 411. From the funds appropriated in part 1 for mental

1 health facilities, the department of health and human services
2 shall allocate \$2,000,000.00 to a nonprofit health care system
3 organized under the laws of this state that is exempt from federal
4 income tax under section 501(c)(3) of the internal revenue code of
5 1986, 26 USC 501, for a pilot program located in a county with a
6 population between 280,000 and 281,000 according to the most recent
7 federal decennial census for the purpose of operating a pilot
8 program to ensure that the behavioral and physical health needs of
9 Michigan residents are addressed. This pilot program shall seek to
10 provide additional behavioral health services in a more efficient
11 manner due to a partnership with state-based institutions on
12 staffing assistance and shared services with a Michigan-based
13 health system.

14 Sec. 412. (1) From the funds appropriated in part 1 for mental
15 health facilities, the department of health and human services
16 shall allocate \$15,000,000.00 to create a competitive grant program
17 for health care providers to invest in infrastructure necessary to
18 provide better medical care for individuals seeking behavioral
19 health care services through an emergency department. Grant
20 applicants must identify 20% matching funds as part of the grant
21 application.

22 (2) As part of the competitive grant award process, the
23 department of health and human services must award grants to not
24 less than 5 health care providers that meet the requirements of the
25 grant program.

26 (3) Unexpended and unencumbered funds up to a maximum of
27 \$15,000,000.00 in part 1 for mental health facilities are
28 designated as a work project appropriation. Any unencumbered or
29 unallotted funds shall not lapse at the end of the fiscal year and

1 shall be available for expenditures for competitive grant funding
2 for health care providers to invest in infrastructure necessary to
3 provide better medical care for individuals seeking behavioral
4 health care services through an emergency department under this
5 section until the work project has been completed. All of the
6 following are in compliance with section 451a(1) of the management
7 and budget act, 1984 PA 431, MCL 18.1451a:

8 (a) The purpose of the work project is to create and implement
9 a competitive grant funding program for health care providers to
10 invest in infrastructure necessary to provide better medical care
11 for individuals seeking behavioral health care services through an
12 emergency department.

13 (b) The work project will be accomplished by utilizing state
14 employees, contracts, or both.

15 (c) The total estimated completion cost of the work project is
16 \$15,000,000.00.

17 (d) The tentative completion date is September 30, 2025.

18 Sec. 413. (1) From the funds appropriated in part 1 for mental
19 health facilities, the department of health and human services
20 shall allocate \$10,000,000.00 to create a 1-time grant program for
21 entities interested in establishing crisis stabilization units in
22 accordance with chapter 9A of the mental health code, 1974 PA 258,
23 MCL 330.1971 to 330.1979, or psychiatric residential treatment
24 facilities in accordance with section 137a of the mental health
25 code, 1974 PA 258, MCL 330.1137a. Grant applicants must disseminate
26 how the requested grant funding would be used for certification
27 standards and requirements or for obtaining accreditation
28 requirements.

29 (2) Unexpended and unencumbered funds up to a maximum of

\$10,000,000.00 in part 1 for mental health facilities are designated as a work project appropriation. Any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures for a one-time grant program for entities interested in establishing crisis stabilization units or psychiatric residential treatment facilities under this section until the work project has been completed. The following are in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the work project is to create and implement a 1-time grant program for entities interested in establishing crisis stabilization units or psychiatric residential treatment facilities.

(b) The work project will be accomplished by utilizing state employees, contracts, or both.

(c) The total estimated completion cost of the work project is \$10,000,000.00.

(d) The tentative completion date is September 30, 2025.

Sec. 414. From the funds appropriated in part 1 for private accredited child welfare agency coronavirus relief grants, the department of health and human services shall allocate \$3,000,000.00 to child welfare agencies that are members of the Association of Accredited Child and Family Agencies for eligible expenses related to COVID-19 including, but not limited to, personal protection equipment, facility modification, and technology upgrades.

DEPARTMENT OF LABOR AND ECONOMIC OPPORTUNITY

Sec. 451. The funds appropriated in part 1 for agricultural

1 processing support grants shall be used for grants to aid the
2 recovery of Michigan's agricultural supply chain businesses,
3 including, but not limited to, processing plants, abattoirs, and
4 storage facilities. Grants may be used by the grantee to purchase
5 personal protective equipment, provide training, and any other
6 goods or services that facilitate the recovery of agricultural
7 supply chain businesses.

8 Sec. 452. (1) The funds appropriated in part 1 for the
9 community health campuses pilot project shall be awarded for a
10 pilot project that develops an integrated wellness facility that
11 includes mental, physical, and behavioral health components,
12 including, but not limited to, the following services:

- 13 (a) Rehabilitation.
- 14 (b) Optical.
- 15 (c) Dental.
- 16 (d) Primary care.
- 17 (e) Urgent care.
- 18 (f) Chiropractic.
- 19 (g) Community mental health.
- 20 (h) Child care.

21 (2) The pilot project must be designed to serve underserved
22 areas where access to one stop wellness is deficient or absent. In
23 addition to the health components, the integrated wellness facility
24 must include, at a minimum, indoor aquatics, gymnasium, and workout
25 facilities in the same facility. The workout facilities must
26 provide no or low-cost access to individuals earning less than 200%
27 of the federal poverty level. Individuals at or above 200% of the
28 federal poverty level may be charged a fee.

29 Sec. 453. (1) No later than July 1, 2021, from the funds

1 appropriated in part 1 for unemployment compensation fund deposit,
2 \$150,000,000.00 shall be deposited into the unemployment
3 compensation fund established under section 26 of the Michigan
4 employment security act, 1936 (Ex Sess) PA 1, MCL 421.26, for the
5 purpose of offsetting expected exposure to state fraud and improper
6 payment during the COVID-19 crisis.

7 (2) If federal funds are available and expenditures are
8 allowable under federal law, expenditures of federal funds under
9 this section shall occur prior to the expenditure of general fund
10 appropriations made for the same purposes described in subsection
11 (1). General fund appropriations replaced by federal expenditures
12 authorized under this section shall revert to the general fund.

13 Sec. 454. The funds appropriated in part 1 for unemployment
14 insurance benefit claims monitoring must be used to support ongoing
15 costs related to unemployment insurance benefit claims monitoring
16 and fraud detection through the use of a third-party service that
17 provides a proprietary identity document capture and verification
18 solution.

19
20 **LEGISLATURE**

21 Sec. 501. (1) From the funds appropriated in part 1 for
22 independent studies, \$750,000.00 is appropriated to the legislative
23 council to establish and utilize a legislative independent study
24 work group that will contract with a third-party vendor for a study
25 that compares pupil learning loss across virtual, hybrid, and in-
26 person instruction in the state of Michigan and reports on whether
27 there are any statistically significant differences in student
28 growth between virtual, hybrid, and in-person instruction. The
29 study must emphasize students who were in traditional, in-person

1 classrooms in the 2018-2019 school year and compare student growth
2 between the 2019-2020 school year and the 2020-2021 school year by
3 virtual, hybrid, and in-person instruction method.

4 (2) The study must include a measurement of student growth
5 between the 2019-2020 school year and the 2020-2021 school year by
6 predominate learning method by grade level for each school district
7 and intermediate school district categorizing grade levels as
8 follows:

9 (a) Grades mostly virtual, which means districts that had 100%
10 virtual-only instruction option for all students within a grade
11 level for 50% or more of the school year.

12 (b) Grades partially virtual, which means districts that had
13 100% virtual-only instruction option for all students within a
14 grade level for more than 25% of the school year but less than 50%
15 of the school year.

16 (c) Grades hybrid, which means districts that offered a hybrid
17 of in-person and virtual instruction to students within a grade
18 level that do not fit subdivision (a), (b), (d), or (e).

19 (d) Grades partially in-person, which means districts not
20 described in subdivision (a) or (b) that offered in-person
21 instruction for a minimum of 80% of students within a grade level
22 for more than 25% of the school year but not more than 50% of the
23 school year.

24 (e) Grades mostly in-person, which means districts not
25 described in subdivision (a) or (b) that offered in-person
26 instruction for a minimum of 80% of students within a grade level
27 for more than 50% of the school year.

28 (3) The study must include a measurement of student growth
29 between the 2019-2020 school year and the 2020-2021 school year by

1 predominate learning method, determined by a weighted average of
2 all learning methods utilized throughout the district categorizing
3 districts as follows:

4 (a) District mostly virtual, which means districts that had
5 100% virtual-only instruction option for all students for 50% or
6 more of the school year.

7 (b) Districts partially virtual, which means districts that
8 had 100% virtual-only instruction option for all students for more
9 than 25% of the school year but less than 50% of the school year.

10 (c) Districts hybrid, which means districts that offered a
11 hybrid of in-person and virtual instruction that do not fit
12 subdivision (a), (b), (d), or (e).

13 (d) Districts partially in-person, which means districts not
14 described in subdivision (a) or (b) that offered in-person
15 instruction for a minimum of 80% of students for more than 25% of
16 the school year but not more than 50% of the school year.

17 (e) Districts mostly in-person, which means districts not
18 described in subdivision (a) or (b) that offered in-person
19 instruction for a minimum of 80% of students for more than 50% of
20 the school year.

21 (4) The legislative council shall establish a legislative
22 independent study work group with the authority to issue a request
23 for proposal and select a vendor to conduct the study described in
24 this section. The legislative independent study work group shall
25 consist of 1 republican member of the Michigan senate, 1 democratic
26 member of the Michigan senate, 1 republican member of the Michigan
27 house of representatives, and 1 democratic member of the Michigan
28 house of representatives. The legislative independent study work
29 group shall issue a request for proposal for a vendor to conduct

1 the study identified in this section not later than 30 days after
2 the enactment of this bill and select a vendor to conduct the study
3 identified in this section not later than 60 days after enactment
4 of this bill.

5 (5) The study shall be transmitted to the senate and house of
6 representatives appropriations committees, the senate and house
7 fiscal agencies, and the state budget office not later than
8 September 30, 2021.

9 (6) As used in this section, "district" includes a public
10 school academy.

11 Sec. 502. (1) From the funds appropriated in part 1 for
12 independent studies, \$750,000.00 is appropriated to the legislative
13 council to establish and utilize a legislative independent study
14 work group that will contract with a third-party vendor for a study
15 that examines the effect of COVID-19 stay-at-home orders,
16 shutdowns, and other mandates on COVID-19 outcomes in Michigan,
17 including the number of COVID-19 cases, hospitalizations, and
18 deaths. The study must include, but is not limited to, the
19 following:

20 (a) The effect of state's COVID-19 stay-at-home orders,
21 shutdowns, and other mandates on the magnitude and timing of cases
22 and case rates in Michigan compared to other states. This must
23 include a comprehensive analysis of both the short-term and long-
24 term effects of state COVID-19 stay-at-home orders, shutdowns, and
25 other mandates on cases and case rates and an analysis of whether
26 the state COVID-19 stay-at-home orders, shutdowns, and other
27 mandates were effective at reducing the overall number of cases and
28 case rates or whether they altered the timing of when cases
29 occurred and were not effective at reducing overall cases and case

1 rates.

2 (b) A detailed comparison of COVID-19 outcomes and metrics in
3 Michigan to COVID-19 outcomes and metrics in Illinois, Indiana,
4 Ohio, and Wisconsin that incorporates state policy actions,
5 including COVID-19 stay-at-home orders, shutdowns, and other
6 mandates.

7 (c) A comparative analysis of the economic impact Michigan's
8 COVID-19 state-at-home orders, shutdowns, and other mandates
9 against Illinois, Indiana, Ohio, and Wisconsin. This analysis must
10 also include findings identifying any measurable differences in
11 COVID-19 positivity rates per capita, serious illness per capita,
12 and mortality per capita.

13 (d) Information on the effectiveness of mask mandates on
14 COVID-19 metrics in youth athletics that must provide, at a
15 minimum, a comparison of Michigan's COVID-19 metrics in youth to
16 COVID-19 metrics in states without mask mandates for youth
17 athletics. Youth COVID-19 metrics to be compared must include, but
18 not be limited to, positivity rate per capita, serious illness per
19 capita, and mortality rate per capita.

20 (2) The legislative council shall establish a legislative
21 independent study work group with the authority to issue a request
22 for proposal and select a vendor to conduct the study described in
23 this section. The legislative independent study work group shall
24 consist of 1 republican member of the Michigan senate, 1 democratic
25 member of the Michigan senate, 1 republican member of the Michigan
26 house of representatives, and 1 democratic member of the Michigan
27 house of representatives. The legislative independent study work
28 group shall issue a request for proposal for a vendor to conduct
29 the study identified in this section not later than 30 days after

1 the enactment of this bill and select a vendor to conduct the study
2 identified in this section not later than 60 days after enactment
3 of this bill.

4 (3) The study shall be transmitted to the senate and house of
5 representatives appropriations committees, the senate and house
6 fiscal agencies, and the state budget office.

7
8 **DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS**

9 Sec. 525. (1) The natural gas infrastructure expansion fund is
10 created within the department of treasury.

11 (2) From the funds appropriated in part 1 for natural gas
12 infrastructure expansion, \$250,000,000.00 shall be deposited into
13 the natural gas infrastructure expansion fund.

14 (3) All funds in the natural gas infrastructure expansion fund
15 created in this section are appropriated and available for
16 expenditure. Expenditures are limited to support purposes specified
17 in this section.

18 (4) Interest and earnings from the investment of funds
19 deposited in the natural gas infrastructure expansion fund shall be
20 deposited in the general fund.

21 (5) Funds in the natural gas infrastructure expansion fund at
22 the close of the fiscal year shall remain in the natural gas
23 infrastructure expansion fund and shall not lapse to the general
24 fund.

25 (6) From the funds appropriated in part 1 for natural gas
26 infrastructure expansion, the public service commission shall
27 cooperate with the department of treasury to distribute funds on a
28 pro-rata basis to natural gas investor-owned utility customer
29 programs based on the utility's number of total customers, for the

1 following purposes:

2 (a) To enhance natural gas utility customer attachment
3 programs and to reach unserved or underserved areas.

4 (b) To provide adequate capacity for demand growth in
5 currently unserved and underserved areas.

6 (c) For customer assistance programs, through the utilities,
7 for customers in unserved and underserved areas to convert their
8 residence from a more expensive fuel source to natural gas.

9 (d) To allow customers to pay off any remaining years on their
10 contracts for areas where utilities previously expanded and where
11 customers have made substantial investments.

12 (e) To support the development of renewable natural gas
13 production facilities, including costs for front-end engineering
14 studies.

15 (7) Investor-owned utilities receiving funding under this
16 section must submit an infrastructure investment plan with at least
17 a 1-year time horizon, that includes a cost-benefit analysis of how
18 infrastructure improvements would impact new and existing customers
19 and businesses. Each infrastructure investment plan must be
20 submitted to the public service commission.

21 (8) The public service commission must establish rules and
22 procedures for the infrastructure expansion program and must
23 develop criteria necessary for approval of a utility's
24 infrastructure investment plan. Utilities must provide adequate
25 documentation of actual expenses incurred and how those expenses
26 compare to an approved infrastructure investment plan. The utility
27 must demonstrate the reasonableness and prudence of any deviation
28 in actual expenses from planned expenses.

29 Sec. 526. It is the intent of the legislature that funds

appropriated in part 1 for natural gas infrastructure expansion, including renewable natural gas, must be utilized to provide natural gas service to unserved and underserved areas of the state, which will improve reliability and stability of energy delivery, to reduce impacted customers' energy costs, and to support access to and development of renewable natural gas in this state that would otherwise not be developed, resulting in a cleaner natural gas product supporting the state's carbon abatement strategies.

DEPARTMENT OF MILITARY AND VETERANS AFFAIRS

Sec. 541. Funds appropriated in part 1 for premium pay for frontline employees must include premium payments to social workers, activity staff, dietary service staff, and other facility staff of the Michigan veteran homes who have performed hazardous duty or work involving physical hardship related to COVID-19 among other staff identified by the Michigan veterans facility authority to receive premium payments. Premium payments must be distributed equally among all eligible employees.

DEPARTMENT OF TECHNOLOGY, MANAGEMENT, AND BUDGET

Sec. 551. Funds appropriated in part 1 for broadband expansion act of Michigan must be used to support the statewide broadband service grant program created under the broadband expansion act of Michigan, 2020 PA 224, MCL 484.3251 to 484.3261.

Sec. 552. Funds appropriated in part 1 for state employee rightsizing are appropriated for the purpose of providing an incentive for state workers to leave state employment due to the increased efficiency of the state workforce. This incentive may not be used for an early-out retirement program or severances not

1 related to increased state employee efficiency. The value of any
2 rightsizing incentive is capped at an amount equal to 6 weeks of
3 pay.

4 Sec. 553. (1) Funds appropriated in part 1 for state facility
5 divestments must be expended to support costs associated with
6 divesting state-owned, rented, and leased properties, buildings,
7 and office space. Allowable costs for use of the funds include, but
8 are not limited to, those associated with selling a building or
9 property, early termination of leases and rent, and demolition.

10 (2) The department of technology, management, and budget must
11 submit a report not later than June 1 that provides a list of
12 expenditures and a description of the property or building and the
13 benefit of each expenditure. The report must also include
14 information on additional state facilities under consideration for
15 divestment. The report must be submitted to the senate and house
16 appropriations committees, the senate and house appropriations
17 subcommittees on general government, the senate and house fiscal
18 agencies, and the state budget office.

19 Sec. 554. (1) From the funds appropriated in part 1 for
20 venture Michigan fund II voucher purchase, the state budget
21 director is authorized to pay the portion prescribed in subdivision
22 (c) of the outstanding monetary obligations owed by venture
23 Michigan fund, a Michigan early stage venture investment
24 corporation created under the Michigan early stage venture
25 investment act of 2003, 2003 PA 296, MCL 125.2231 to 125.2263, to
26 Stanton Equity Trading Delaware LLC under that certain loan
27 agreement, dated as of December 22, 2010, between venture Michigan
28 fund and Stanton Equity Trading Delaware LLC, as amended, in return
29 for surrender to the state treasurer all of the tax voucher

1 certificates issued by venture Michigan fund for the benefit of
2 Stanton Equity Trading Delaware LLC under section 23 of the
3 Michigan early stage venture investment act of 2003, 2003 PA 296,
4 MCL 125.2253, with the following stipulations:

5 (a) Venture Michigan fund borrowed funds under the loan
6 agreement pursuant to section 17 of the Michigan early stage
7 venture investment act of 2003, 2003 PA 296, MCL 125.2247, and
8 Stanton Equity Trading Delaware LLC is the only lender.

9 (b) The prepayment of all outstanding monetary obligations
10 owed by venture Michigan fund to Stanton Equity Trading Delaware
11 LLC are made as provided in the loan agreement.

12 (c) Venture Michigan fund contributes not less than
13 \$120,000,000.00 of the prepayment of all outstanding monetary
14 obligations owed by venture Michigan fund to Stanton Equity Trading
15 Delaware LLC under the loan agreement, with the payment from the
16 state budget director authorized under this subsection limited to
17 the balance of all the outstanding monetary obligations owed by
18 venture Michigan fund to Stanton Equity Trading Delaware LLC under
19 the loan agreement.

20 (d) If the amount appropriated in part 1 for venture Michigan
21 fund II voucher purchase is insufficient to pay the portion to be
22 paid by the state budget director of all of the outstanding
23 monetary obligations of venture Michigan fund owed to Stanton
24 Equity Trading Delaware LLC, then there is appropriated not more
25 than \$1,500,000.00 from the state general fund for that purpose
26 only.

27 (e) The prepayment of all the outstanding monetary obligations
28 of venture Michigan fund owed to Stanton Equity Trading Delaware
29 LLC must be conditioned upon surrender to the state treasurer of

1 all tax voucher certificates issued by venture Michigan fund for
2 the benefit of Stanton Equity Trading Delaware LLC under section 23
3 of the Michigan early stage venture investment act of 2003, 2003 PA
4 296, MCL 125.2253.

5 (f) The prepayment of all the outstanding monetary obligations
6 of venture Michigan fund owed to Stanton Equity Trading Delaware
7 LLC and the surrender of the tax voucher certificates to the state
8 treasurer shall occur not later than September 30, 2021.

9 (g) Any unexpended balance of the amounts appropriated in part
10 1 and in subdivision (d) shall lapse to the state general fund.

11 (2) Upon surrender of the tax voucher certificates to the
12 state treasurer, the state treasurer shall destroy the tax voucher
13 certificates.

14
15 **STATE TRANSPORTATION DEPARTMENT**

16 Sec. 601. (1) Funds appropriated in part 1 for local road and
17 bridge bundling initiative shall be expended by the department to
18 support a statewide program for the rehabilitation or replacement
19 of road and bridges owned by local road agencies. The department
20 shall coordinate the local road and bridge bundling initiative and
21 issue contracts necessary for planning, design, and construction
22 work related to roads and bridges selected for the program.

23 (2) The department shall provide a progress report on the
24 local road and bridge bundling initiative to the senate and house
25 appropriations subcommittees on transportation, the senate and
26 house fiscal agencies, and the state budget office by September 30.

27 Sec. 602. Funds appropriated in part 1 for state trunkline
28 fund bond advance repayment shall be used to retire bonds issued by
29 the Michigan state transportation department prior to January 1,

1 2021.

2 Sec. 603. (1) Funds appropriated in part 1 for transportation
3 bond repayment sinking fund shall be credited to the transportation
4 bond repayment sinking fund established in House Bill No. 4669 of
5 the 101st Legislature.

6 (2) Funds appropriated in part 1 for transportation bond
7 repayment sinking fund must not be spent or otherwise distributed
8 unless both of the following bills of the 101st Legislature are
9 enacted into law:

10 (a) House Bill No. 4082.

11 (b) House Bill No. 4669.

12
13 **DEPARTMENT OF TREASURY**

14 Sec. 651. (1) From the funds appropriated in part 1 for
15 disaster relief, \$56,000.00 shall be awarded to a city with a
16 population between 3,000 and 4,000 located in a county with a
17 population between 63,000 and 64,000 according to the most recent
18 federal decennial census to cover the costs from disaster flooding
19 that occurred in 2019 that have not been reimbursed from other
20 sources.

21 (2) From the funds appropriated in part 1 for disaster relief,
22 \$2,400.00 shall be awarded to a city with a population between
23 5,000 and 6,000 located in a county with a population between
24 63,000 and 64,000 according to the most recent federal decennial
25 census to cover the costs from disaster flooding that occurred in
26 2019 that have not been reimbursed from other sources.

27 Sec. 652. From the funds appropriated in part 1 for return to
28 work grants, \$1,000.00 shall be granted to each individual who
29 leaves the unemployment system and returns to the workforce. No

1 later than 1 month after the effective date of this section, the
2 department shall develop an online form for individuals to use to
3 verify employment and removal from unemployment benefits. To
4 qualify for a grant under this section, an individual must certify
5 that they are no longer receiving unemployment benefits and have
6 been employed for at least 80 hours over a 4-week period.
7 Individuals are limited to receiving 1 grant under this section.

8 Sec. 653. (1) The funds appropriated in part 1 for water and
9 sewer replacement grants are to be used for a competitive grant
10 program that provides grants to local units of government for
11 eligible water and sewer replacement projects. Eligible water and
12 sewer replacement projects are projects that have been identified
13 in asset management plans under the stormwater, asset management,
14 and wastewater grant program administered by the Michigan
15 department of environment, Great Lakes, and energy. Not more than
16 10% of the total available for grants may be allocated to a local
17 unit of government. The department must require a 25% match in
18 funds from each local unit of government to which funds are
19 awarded.

20 (2) The department of treasury shall develop an application
21 process and detailed guidance for prospective participants to
22 follow to qualify under the program. The application and detailed
23 guidance must be posted on the department website and local units
24 of government must be notified when application and detailed
25 guidance materials are available.

26 (3) The department shall provide a report that includes, at a
27 minimum, individual grantees, grant amounts, and a detailed
28 description of the project. The report shall be transmitted to the
29 senate and house of representatives appropriations subcommittees,

1 the senate and house fiscal agencies, and the state budget office
2 not later than September 30, 2021.

3 (4) The unexpended funds appropriated in part 1 for water and
4 sewer replacement grants are designated as a work project
5 appropriation, and any unencumbered or unallotted funds shall not
6 lapse at the end of the fiscal year and shall be available for
7 expenditures for projects under this section until the projects
8 have been completed. The following is in compliance with section
9 451a(1) of the management and budget act, 1984 PA 431, MCL
10 18.1451a:

11 (a) The purpose of the project is to provide grants to local
12 units of government for eligible water and sewer replacement
13 projects.

14 (b) The project will be accomplished by utilizing state
15 employees or contracts with service providers, or both.

16 (c) The total estimated cost of this project is
17 \$250,000,000.00.

18 (d) The tentative completion date is September 30, 2025.
19

20 **REPEALERS**

21 Sec. 1001. Section 204 of 2020 PA 257 is repealed.

22 Sec. 1002. Sections 977 and 978 of article 6 of 2020 PA 166
23 are repealed.
