15 diploma and the number of prisoners paroled without a high school
16 equivalency.

17 (e) An explanation of the value and purpose of each program:
18 for example, to improve employability, reduce recidivism, reduce
19 prisoner idleness, or some combination of these and other factors.

20 (f) An identification of program outcomes for each academic
21 and vocational program.

22 (g) The number of prisoners not paroled at their earliest
23 release date due to lack of a high school equivalency, and the
24 reason those prisoners have not obtained a high school equivalency.

25 Sec. 433. From the funds appropriated in part 1, priority may
26 be given to funding reentry or rehabilitation programs that have
27 been demonstrated to reduce prison violence and recidivism,
28 including faith-based initiatives.

29 Sec. 437. (1) Funds appropriated in part 1 for Goodwill Flip

1 the Script must be distributed to a Michigan-chartered 501(c)(3)
2 nonprofit corporation operating in a county with greater than
3 1,500,000 people for administration and expansion of a program that
4 serves a population of individuals aged 16 to 39. The program shall
5 target those who are entering the criminal justice system for the
6 first or second time and shall assist those individuals through the
7 following program types:

8 (a) Alternative sentencing programs in partnership with a
9 local district or circuit court.

10 (b) Educational recovery for special adult populations with
11 high rates of illiteracy.

12 (c) Career development and continuing education for women.

13 (2) The program selected shall report by March 30. The report
14 must include program performance measurements, the number of
15 individuals diverted from incarceration, the number of individuals
16 served, and outcomes of participants who complete the program.

17
18 **FIELD OPERATIONS ADMINISTRATION**

19 Sec. 604. (1) The funds appropriated in part 1 for criminal
20 justice reinvestment must be used only to fund data collection and
21 evidence-based programs designed to reduce recidivism among
22 probationers and parolees.

23 (2) Of the funds appropriated in part 1 for criminal justice
24 reinvestment, at least \$600,000.00 must be allocated to an
25 organization that has received a United States Department of Labor
26 training to work 2-adult reentry grant to provide county jail
27 inmates with programming and services to prepare them to get and
28 keep jobs. Examples of eligible programs and services include, but
29 are not limited to: adult education, tutoring, manufacturing skills

1 training, participation in a simulated work environment, mentoring,
2 cognitive therapy groups, life skills classes, substance abuse
3 recovery groups, fatherhood programs, classes in understanding the
4 legal system, family literacy, health and wellness, finance
5 management, employer presentations, and classes on job retention.
6 Programming and support services should begin before release and
7 continue after release from the county jail. To be eligible for
8 funding, an organization must show at least 2 years' worth of data
9 that demonstrate program success.

10 (3) The department shall report on programs described under
11 this section by March 30. The report must include the
12 reincarceration recidivism rate of program participants, the
13 employment rate of participants who complete the program, and the
14 cost of the program per participant.

15 Sec. 611. The department shall prepare by March 1 individual
16 reports for the residential reentry program, the electronic
17 monitoring program, and the special alternative to incarceration
18 program. Each program's report must include information on all of
19 the following:

20 (a) Monthly new participants by type of offender. Residential
21 reentry program participants shall be categorized by reason for
22 placement. For technical rule violators, the report must sort
23 offenders by length of time since release from prison, by the most
24 recent violation, and by the number of violations occurring since
25 release from prison.

26 (b) Monthly participant unsuccessful terminations, including
27 cause.

28 (c) Number of successful terminations.

29 (d) End month population by facility/program.

1 (e) Average length of placement.

2 (f) Return to prison statistics.

3 (g) Description of each program location or locations,
4 capacity, and staffing.

5 (h) Sentencing guideline scores and actual sentence statistics
6 for participants, if applicable.

7 (i) Comparison with prior year statistics.

8 (j) Analysis of the impact on prison admissions and jail
9 utilization and the cost effectiveness of the program.

10 Sec. 612. (1) The department shall review and revise as
11 necessary policy proposals that provide alternatives to prison for
12 offenders being sentenced to prison as a result of technical
13 probation violations and technical parole violations. To the extent
14 the department has insufficient policies or resources to affect the
15 continued increase in prison commitments among these offender
16 populations, the department shall explore other policy options to
17 allow for program alternatives, including department or OCC-funded
18 programs, local level programs, and programs available through
19 private agencies that may be used as prison alternatives for these
20 offenders.

21 (2) By April 1, the department shall provide a report on the
22 number of all parolees returned to prison and probationers
23 sentenced to prison for either a technical violation or new
24 sentence during the preceding fiscal year. The report must include
25 the following information for probationers, for parolees after
26 their first parole, and for parolees who have been paroled more
27 than once:

28 (a) The numbers of parole and probation violators returned to
29 or sent to prison for a new crime with a comparison of original

1 versus new offenses by major offense type: assaultive,
2 nonassaultive, drug, and sex.

3 (b) The numbers of parole and probation violators returned to
4 or sent to prison for a technical violation and the type of
5 violation, including, but not limited to, zero gun tolerance and
6 substance abuse violations. For parole technical rule violators,
7 the report must list violations by type, by length of time since
8 release from prison, by the most recent violation, and by the
9 number of violations occurring since release from prison.

10 (c) The educational history of those offenders, including how
11 many had a high school equivalency or high school diploma prior to
12 incarceration in prison, how many received a high school
13 equivalency while in prison, and how many received a vocational
14 certificate while in prison.

15 (d) The number of offenders who participated in the reentry
16 program versus the number of those who did not.

17 (e) The unduplicated number of offenders who participated in
18 substance abuse treatment programs, mental health treatment
19 programs, or both, while in prison, itemized by diagnosis.

20 Sec. 615. The department shall submit a report by April 30
21 detailing the number of prisoners who have received life
22 imprisonment sentences with the possibility of parole and who are
23 currently eligible for parole.

24 Sec. 617. From the funds appropriated in part 1 for the
25 residential alternative to prison program, the department shall
26 provide vocational, educational, and cognitive programming in a
27 secure environment to enhance existing alternative sentencing
28 options, increase employment readiness and successful placement
29 rates, and reduce new criminal behavior for the west Michigan

1 probation violator population. The department shall measure and set
2 the following metric goals:

3 (a) 85% of participants successfully complete the program.

4 (b) Of the participants that complete the program, 75% will
5 earn a nationally recognized credential for career and vocational
6 programs.

7 (c) Of the participants that complete the program, 100% will
8 earn a certificate of completion for cognitive programming.

9 (d) The prison commitment rate for probation violators will be
10 reduced by 5% within the impacted geographical area after the first
11 year of program operation.

12 Sec. 619. On a quarterly basis, the department shall issue a
13 report detailing the outcomes of prisoners who have been reviewed
14 for parole. The report must include all of the following:

15 (a) How many prisoners in each quarter were reviewed.

16 (b) How many prisoners were granted parole.

17 (c) How many prisoners were denied parole.

18 (d) How many parole decisions were deferred.

19 (e) The distribution of the total number of prisoners reviewed
20 during that quarter grouped by whether the prisoner had been
21 interviewed for the first, second, third, fourth, fifth, sixth, or
22 more than sixth time.

23 (f) The number of paroles granted, denied, or deferred for
24 each of the parole guideline scores of low, average, and high.

25 (g) The reason for denying or deferring parole.

26
27 **HEALTH CARE**

28 Sec. 802. By April 1, the department shall provide reports on
29 the following:

1 (a) Physical and mental health care, pharmaceutical services,
2 and durable medical equipment for prisoners. Reports must detail
3 current and prior fiscal year expenditures itemized by vendor,
4 allocations, status of payments from contractors to vendors, and
5 projected year-end expenditures from accounts. Reports must include
6 a breakdown of all payments to the integrated care provider and to
7 other providers itemized by physical health care, mental health
8 care, pharmaceutical, and durable medical equipment expenditures.

9 (b) Pharmaceutical prescribing practices, including a detailed
10 accounting of expenditures on antipsychotic medications, and any
11 changes that have been made to the prescription drug formularies.

12 (c) A listing of measurable outcomes used to determine the
13 benefits of treatment between the physical and mental health care
14 prisoner populations being provided treatments as described in this
15 section.

16 Sec. 803. (1) The department shall assure that all prisoners,
17 upon any health care treatment funded from appropriations in part
18 1, are given the opportunity to sign a release of information form
19 designating a family member or other individual to whom the
20 department shall release records information regarding a prisoner.
21 A release of information form signed by a prisoner shall remain in
22 effect for 1 year, and the prisoner may elect to withdraw or amend
23 the release form at any time.

24 (2) The department shall assure that any such signed release
25 forms follow a prisoner upon transfer to another department
26 facility or to the supervision of a parole officer.

27 (3) The form must be placed online, on a public website
28 managed by the department.

29 Sec. 804. The department shall provide a report by April 1 on

1 prisoner health care utilization that includes the number of
2 inpatient hospital days, outpatient visits, emergency room visits,
3 and prisoners receiving off-site inpatient medical care in the
4 fiscal year, by facility.

5 Sec. 807. (1) The funds appropriated in part 1 for hepatitis C
6 treatment must be used only to purchase specialty medication for
7 hepatitis C treatment in the prison population. In addition to the
8 above appropriation, any rebates received from the medications used
9 must be used only to purchase specialty medication for hepatitis C
10 treatment. By February 15, the department shall issue a report for
11 the prior fiscal year the total amount spent on specialty
12 medication for the treatment of hepatitis C, the number of
13 prisoners who were treated, the amount of any rebates that were
14 received from the purchase of specialty medication, and what
15 outstanding rebates are expected to be received.

16 (2) The report must include the hepatitis C status of all
17 incoming prisoners and the number of prisoners who are reinfected
18 while incarcerated and require retreatment for hepatitis C. The
19 report must also include the number of those treated and released
20 and then retreated upon reincarceration.

21 Sec. 812. (1) The department shall provide the department of
22 health and human services with a monthly list of prisoners newly
23 committed to the department of corrections. The department and the
24 department of health and human services shall enter into an
25 interagency agreement under which the department of health and
26 human services provides the department of corrections with monthly
27 lists of newly committed prisoners who are eligible for Medicaid
28 benefits in order to maintain the process by which Medicaid
29 benefits are suspended rather than terminated. The department shall

1 assist prisoners who may be eligible for Medicaid benefits after
2 release from prison with the Medicaid enrollment process prior to
3 release from prison.

4 (2) By February 1, the department shall provide updates on the
5 utilization of Medicaid benefits for prisoners over the most recent
6 ten-year period that detail the utilization of Medicaid benefits by
7 prisoners upon release.

8 Sec. 814. (1) By March 1, the department shall report the
9 number of prisoners who received medication assisted therapies, the
10 length of time on therapies, and the number of prisoners who have
11 discontinued treatment while incarcerated.

12 (2) The report is intended to show the department is meeting
13 its goal of weaning prisoners from their addictions.
14

15 **CORRECTIONAL FACILITIES ADMINISTRATION**

16 Sec. 902. (1) From the funds appropriated in part 1, the
17 department shall notify the senate and house appropriations
18 subcommittees on corrections, the senate and house fiscal agencies,
19 the legislative corrections ombudsman, and the state budget office
20 of the department's plans to eliminate programming for prisoners.
21 Notice must be provided at least 30 days prior to program
22 elimination.

23 (2) As used in this section, "programming for prisoners" means
24 a department core program or career and technical education program
25 funded in part 1.

26 Sec. 903. From the funds appropriated in part 1 for prison
27 food service, the department shall report by December 31 the
28 following:

29 (a) Average per-meal cost for prisoner food service. Per-meal

1 cost must include all costs directly related to the provision of
2 food for the prisoner population, and must include, but not be
3 limited to, actual food costs, total compensation for all food
4 service workers, including benefits and legacy costs, and
5 inspection and compliance costs for food service.

6 (b) Food service-related contracts, including goods or
7 services to be provided and the vendor.

8 (c) Major sanitation violations.

9 Sec. 904. The department shall calculate the cost per prisoner
10 per day for each security custody level. This calculation must
11 include all actual direct and indirect costs for the previous
12 fiscal year. To calculate the cost per prisoner per day, the
13 department shall divide the prisoner-related costs by the total
14 number of prisoner days for each custody level and correctional
15 facility. For multilevel facilities, costs that cannot be
16 accurately allocated to each custody level can be included in the
17 calculation on a per-prisoner basis for each facility. A report
18 summarizing these calculations must be submitted not later than
19 December 31. Prisoner-related costs included in the cost per
20 prisoner per day calculation must include all expenditures for the
21 following, from all fund sources:

22 (a) New custody staff training.

23 (b) Prison industries operations.

24 (c) Education/skilled trades/career readiness programs.

25 (d) Enhanced food technology program.

26 (e) Offender success programming.

27 (f) Central records.

28 (g) Correctional facilities administration.

29 (h) Housing inmates in federal institutions.

- 1 (i) Inmate legal services.
- 2 (j) Leased beds and alternatives to leased beds.
- 3 (k) Prison food service.
- 4 (l) Prison store operations.
- 5 (m) Public works program.
- 6 (n) Transportation.
- 7 (o) Health care.
- 8 (p) Correctional facilities.
- 9 (q) Northern and southern region administration and support.

10 Sec. 906. Any local unit of government or private nonprofit
11 organization that contracts with the department for public works
12 services shall be responsible for financing the entire cost of such
13 an agreement.

14 Sec. 910. The department shall allow the Michigan Braille
15 transcribing fund program to operate at designated locations. The
16 department shall continue to encourage the Michigan Braille
17 transcribing fund program to produce high-quality materials for use
18 by the visually impaired.

19 Sec. 911. (1) The department shall report as follows:

20 (a) Within 72 hours of occurrence, any critical incident
21 occurring at a correctional facility.

22 (b) By March 1, the number of critical incidents occurring
23 each month at each facility during the immediately preceding
24 calendar year, categorized by type and severity of each incident.

25 (2) As used in this section, "critical incident" includes a
26 prisoner assault on staff that results in a serious physical injury
27 to staff, an escape or attempted escape, a prisoner disturbance
28 that causes facility operation concerns, and an unexpected death of
29 a prisoner.

1 Sec. 912. The department shall report by March 1 on the ratio
2 of correctional officers to prisoners for each correctional
3 institution, the ratio of shift command staff to line custody
4 staff, and the ratio of noncustody institutional staff to prisoners
5 for each correctional facility.

6 Sec. 913. (1) From the funds appropriated in part 1, the
7 department shall focus on providing required programming to
8 prisoners who are past their earliest release date because of not
9 having received the required programming. Programming includes, but
10 is not limited to, violence prevention programming, assaultive
11 offender programming, sexual offender programming, substance abuse
12 treatment programming, thinking for a change programming, and any
13 other programming that is required as a condition of parole.

14 (2) It is the intent of the legislature that any prisoner
15 required to complete a violence prevention program, sexual offender
16 program, or other program as a condition of parole must be placed
17 on a waiting list for the appropriate programming upon entrance to
18 prison and transferred to a facility where that program is
19 available in order to accomplish timely completion of that program
20 prior to the expiration of his or her minimum sentence and
21 eligibility for parole. To the extent feasible, the department
22 shall consistently provide prisoner programming with the goal of
23 having prisoners complete recommended cognitive programming as
24 early as possible during the prisoner's sentence to impact the
25 prisoner's behavior while incarcerated. Nothing in this section
26 should be deemed to make parole denial appealable in court.

27 (3) The department shall submit a quarterly report detailing
28 enrollment in sex offender programming, assaultive offender
29 programming, violent offender programming, and thinking for a

1 change programming. At a minimum, the report must include the
2 following:

3 (a) A full accounting, from the date of entrance to prison, of
4 the number of individuals who are required to complete the
5 programming, but have not yet done so.

6 (b) The number of individuals who have reached their earliest
7 release date, but who have not completed required programming.

8 (c) A plan of action for addressing any waiting lists or
9 backlogs for programming that may exist.

10 Sec. 920. If a female prisoner in a facility funded from
11 appropriations in part 1 consents to a visitor being present, the
12 department shall allow that 1 person to be present during the
13 prisoner's labor and delivery. The person allowed to accompany the
14 prisoner must be an immediate family member, legal guardian,
15 spouse, or domestic partner. The department is authorized to deny
16 access to a visitor if the department has a safety concern with
17 that visitor's access. The department is authorized to conduct a
18 criminal background check on a visitor.

19 Sec. 924. The department shall evaluate all prisoners at
20 intake for substance abuse disorders, serious developmental
21 disorders, serious mental illness, and other mental health
22 disorders. Prisoners with serious mental illness or serious
23 developmental disorders must not be removed from the general
24 population as a punitive response to behavior caused by their
25 serious mental illness or serious developmental disorder. Due to
26 persistent high violence risk or severe disruptive behavior that is
27 unresponsive to treatment, prisoners with serious mental illness or
28 serious developmental disorders may be placed in secure residential
29 housing programs that will facilitate access to institutional

1 programming and ongoing mental health services funded from
2 appropriations in part 1. A prisoner with serious mental illness or
3 serious developmental disorder who is confined in these specialized
4 housing programs must be evaluated or monitored by a medical
5 professional at a frequency of not less than every 12 hours.

6 Sec. 925. By March 1, the department shall report on the
7 annual number of prisoners during the prior fiscal year in
8 administrative segregation and, of those, the number who at any
9 time during the current or prior prison term were diagnosed with
10 serious mental illness or have a developmental disorder and the
11 number of days each of the prisoners with serious mental illness or
12 a developmental disorder have been confined to administrative
13 segregation.

14 Sec. 929. From the funds appropriated in part 1, the
15 department shall do all of the following:

16 (a) Ensure that any inmate care and control staff in contact
17 with prisoners less than 18 years of age are adequately trained
18 with regard to the developmental and mental health needs of
19 prisoners less than 18 years of age. By April 1, the department
20 shall report on the training curriculum used and the number and
21 types of staff receiving annual training under that curriculum.

22 (b) Provide appropriate placement for prisoners less than 18
23 years of age who have serious mental illness, serious emotional
24 disturbance, or a serious developmental disorder and need to be
25 housed separately from the general population. Prisoners less than
26 18 years of age who have serious mental illness, serious emotional
27 disturbance, or a serious developmental disorder must not be
28 removed from an existing placement as a punitive response to
29 behavior caused by their serious mental illness, serious emotional

1 disturbance, or a serious developmental disorder. Due to persistent
2 high violence risk or severe disruptive behavior that is
3 unresponsive to treatment, prisoners less than 18 years of age with
4 serious emotional disturbance, serious mental illness, or serious
5 developmental disorders may be placed in secure residential housing
6 programs that will facilitate access to institutional programming
7 and ongoing mental health services. A prisoner less than 18 years
8 of age with serious mental illness, serious emotional disturbance,
9 or a serious developmental disorder who is confined in these
10 specialized housing programs must be evaluated or monitored by a
11 medical professional at a frequency of not less than every 12
12 hours.

13 (c) Implement a specialized offender success program that
14 recognizes the needs of prisoners less than 18 years old for
15 supervised offender success.

16 Sec. 930. The department shall submit a report by April 1 on
17 the number of youth in prison including, but not be limited to, the
18 following information:

19 (a) The total number of inmates under age 18 who are not on
20 Holmes youthful trainee act status.

21 (b) The total number of inmates under age 18 who are on Holmes
22 youthful trainee act status.

23 (c) The total number of inmates aged 18 to 23 who are on
24 Holmes youthful trainee act status.

25 Sec. 940. (1) Any lease, rental, contract, or other legal
26 agreement that includes a provision allowing a private person or
27 entity to use state-owned facilities or other property to conduct a
28 for-profit business enterprise must require the lessee to pay fair
29 market value for the use of the state-owned property.

1 (2) The lease, rental, contract, or other legal agreement must
2 also require the party using the property to make a payment in lieu
3 of taxes to the local jurisdictions that would otherwise receive
4 property tax revenue, as if the property were not owned by the
5 state.

6 Sec. 942. The department shall ensure that any contract,
7 funded from appropriations in part 1, with a public or private
8 party to operate a facility to house state prisoners includes a
9 provision to allow access by both the office of the legislative
10 auditor general and the office of the legislative corrections
11 ombudsman to the facility and to appropriate records and documents
12 related to the operation of the facility. These access rights for
13 both offices must be the same for the contracted facility as for a
14 general state-operated correctional facility.

15 Sec. 943. The department shall submit a report by May 1 on the
16 actual and projected savings achieved by closing correctional
17 facilities. Savings amounts must be itemized by facility.
18 Information required by this section must start with the closure of
19 the Pugsley Correctional Facility, which closed in September of
20 2016, and must continue for each facility closed thereafter.

21 Sec. 944. When the department is planning to close a
22 correctional facility, the department shall fully consider the
23 potential economic impact of the prison closure on the community
24 where the facility is located. The department, when weighing all
25 factors related to the closure of a facility, shall also consider
26 the impact on the local community where the facility to be closed
27 is located.

28 Sec. 945. From the funds appropriated in part 1, the
29 department shall provide notice of the department's plans to close,

1 consolidate, or relocate any correctional facility in the state.
2 Notice must be provided at least 30 days prior to effective date of
3 closure, consolidation, or relocation of any correctional facility.

4 Sec. 946. The department shall consult with the legislature
5 and other appropriate state agencies to develop a framework to
6 provide investment in communities that have formerly operational
7 state correctional facilities that have been closed. This framework
8 must include plans to ensure that vacant state correctional
9 facilities do not become a nuisance or danger to the community.

10 Sec. 948. From the fund appropriated in part 1, the department
11 shall make an information packet for the families of incoming
12 prisoners available on the department's website, updating the
13 packet as necessary. The packet must provide information on topics
14 including, but not limited to: how to put money into prisoner
15 accounts, how to make phone calls or create Jpay email accounts,
16 how to visit in person, proper procedures for filing complaints or
17 grievances, the rights of prisoners to physical and mental health
18 care, how to utilize the offender tracking information system
19 (OTIS), truth-in-sentencing and how it applies to minimum
20 sentences, the parole process, and guidance on the importance of
21 the role of families in the reentry process. The department may
22 partner with external advocacy groups and actual families of
23 prisoners in the packet-writing process to ensure that the
24 information is useful and complete.

25 Sec. 950. The department may accept in-kind services and
26 equipment donations to facilitate the addition of a cable network
27 that provides programming that will address the religious needs of
28 incarcerated individuals. This network may be a cable television
29 network that presently reaches the majority of households in the

1 United States. A bilingual channel affiliated with this network may
2 also be added to department programming to assist the religious
3 needs of Spanish-speaking inmates. The addition of these channels
4 must be at no additional cost to this state.

5
6 **ONE-TIME APPROPRIATIONS**

7 Sec. 1101. From the funds appropriated in part 1,
8 \$1,000,000.00 is allocated to an organization that provides prison-
9 based rehabilitation programming including educational, life
10 skills, and behavioral modification programs. The objective of
11 programming is to offer a progressive transformational program to
12 individuals while they are in prison, in an effort to prepare them
13 for a successful transition back into the community. The department
14 shall select an organization that meets all of the following to
15 provide the programming under this section:

16 (a) Has the purpose to increase community safety by reducing
17 recidivism through providing evidence-based mentoring, employment
18 soft skills training, job placement assistance, and critical
19 thinking skills, mediation, and conflict resolution training.

20 (b) Has experience offering programs to male and female prison
21 populations in correctional facilities in this state.

22 (c) Has been offering programs for 20 consecutive years and
23 has been offering programs in at least 5 correctional facilities in
24 this state.

25 (d) Has experience with and offers programming that includes
26 the family in the reentry process using the family group decision-
27 making for reintegration model, which focuses on 7 factors as a
28 basis for successful family reintegration.

29 (e) Has experience with and offers programming that utilizes

1 techniques to address post-prison adjustment disorders.

2 Sec. 1102. (1) From the funds appropriated in part 1, the
3 department shall continue a program to provide care management to
4 parolees post release, which may include the development of a
5 prerelease mental health discharge plan for parolees in prosperity
6 region 8.

7 (2) The pilot program under subsection (1) must continue for
8 at least 1 year with the goal of serving a minimum of 75 parolees.
9 The pilot program must include, but is not limited to, case
10 management and assessments, registration and use by community
11 providers, the tracking of interactions between the care team
12 members and parolees, and the ability for parolees to provide
13 feedback.
