16 state treasurer may withhold the monthly **operations** installments
17 described in section ~~206-201~~ from that community college until
18 those data are submitted. If a community college does not submit
19 any of the information described in subsection (1) by the end of
20 the fiscal year, the community college forfeits any withheld
21 amount. The state budget director shall notify the chairs of the
22 house and senate appropriations subcommittees on community colleges
23 at least 10 days before withholding funds from any community
24 college.

25 (3) It is intended that accountability reporting for community

21 information:

15 (6) No later than the first business day of November of each
16 year, each community college that receives an appropriation in
17 section 201 shall report to the house and senate appropriations
18 subcommittees on community colleges, the house and senate fiscal

20 also known as the student sexual misconduct report, issued by the
21 title IX coordinator, as required under the federal campus SaVE act

23 (7) No later than the first business day of November of each

3 respondents that are not divergent.

4 (c) Notification of resources to each individual who reports
5 having experienced sexual assault by a member of the community

7 Sec. 217b. (1) Each community college that receives an
8 appropriation in section 201 shall report to the center by the last
9 business day of August of each year the tuition and mandatory fees
10 paid by a full-time in-district student and a full-time out-of-
11 district student as established by the community college governing
12 board for the current academic year. This report should also
13 include the annual cost of tuition and fees based on a full-time
14 course load of 30 credits. This report must also specify the amount
15 that tuition and fees have increased for the community college from
16 the prior academic year. Each community college shall also report
17 any revisions to the reported current academic year tuition and
18 mandatory fees adopted by the community college governing board to
19 the center within 15 days of being adopted. The center shall
20 provide this information and any revisions to the house and senate
21 fiscal agencies and the state budget director.

22 (2) Each community college that receives an appropriation in
23 section 201 shall certify to the state budget director by the last
24 business day of August of each year that its board will not adopt
25 an increase in tuition and fee rates for in-district students for
26 the academic year that is greater than the tuition restraint
27 described in this subsection. ~~For the academic year 2024-2025, the~~
28 ~~tuition restraint level is equal to the greater of 4.5% or \$217.00.~~
29 For the academic year 2025-2026, the tuition restraint level is

1 equal to the greater of ~~4.5%~~**3.0%** or ~~\$227.00.~~**\$149.00.** ~~It is~~
 2 ~~intended that in the next fiscal year, the tuition restraint rate~~
 3 ~~will be adjusted only for the subsequent academic year. As used in~~
 4 this subsection:

5 (a) "Fee" means any board-authorized fee that will be paid by
 6 more than 1/2 of all in-district students at least once during
 7 their enrollment at a community college. A community college
 8 increasing a fee that applies to a specific subset of students or
 9 courses shall provide sufficient information to prove that the
 10 increase applied to that subset will not cause the increase in the
 11 average amount of board-authorized total tuition and fees paid by
 12 in-district students in the ~~2024-2025~~**2025-2026** academic year to
 13 exceed the limit established in this section.

14 (b) "Tuition and fee rate" means the average of full-time
 15 rates paid by a majority of students in each class, based on an
 16 unweighted average of the rates authorized by the community college
 17 board and actually charged to students, deducting any uniformly
 18 rebated or refunded amounts, for the 2 semesters with the highest
 19 levels of full-time equated in-district enrollment during the
 20 academic year.

21 (3) Community colleges that exceed the tuition and fee rate
 22 cap described in subsection (2) are not eligible to receive
 23 payments under section 201 for performance funding ~~or payments~~
 24 ~~under section 201f for 1-time performance funding payments for~~
 25 ~~fiscal year 2024-2025.~~**2025-2026. The state budget director shall**
 26 **implement uniform reporting requirements to ensure that a community**
 27 **college receiving a payment under section 201 for performance**
 28 **funding has satisfied the tuition restraint requirements of this**
 29 **section. The state budget director has the sole authority to**

determine if a community college has met the requirements of this section. Information reported by a community college to the state budget director under this subsection must also be reported to the house and senate appropriations subcommittees on community colleges, and the house and senate fiscal agencies.

(4) Notwithstanding any other provision of this act, the legislature may at any time adjust appropriations for a community college that adopts an increase in tuition and fee rates for in-district students that exceeds the rate cap established in subsection (2).

Sec. 217d. A community college that receives an appropriation in section 201 shall not violate *Students for Fair Admissions, Inc. v. President & Fellows of Harvard College*, 600 U.S. 181 (2023). The holding on the merits of the case by the federal district court in *Students for Fair Admissions, Inc. v. President & Fellows of Harvard College*, 397 F. Supp. 3d 126 (D. Mass. 2019) is the sole determining factor as to whether this section is violated. A community college that violates this section forfeits 25% of its operations funding under section 201. Funds forfeited under this section must be redistributed as follows:

(a) 10% to the auditor general for the sole purpose of investigating further allegations of similar or identical violations of this section.

(b) 25% to the other community colleges that receive an appropriation in section 201.

(c) 65% to the state school aid fund.

Sec. 217e. (1) It is the intent of the legislature to ensure that all residents of this state are treated equally regardless of their immutable characteristics. Diversity, equity, and inclusion

1 initiatives violate this principle. Therefore, money appropriated
2 to community colleges under this article must not be spent to
3 promote diversity, equity, or inclusion. As money is fungible, the
4 source of an expenditure on diversity, equity, or inclusion is
5 irrelevant for the purposes of this section. A sum of money spent
6 on diversity, equity, or inclusion by a community college results
7 in a forfeiture of an equal sum from funds appropriated to that
8 community college, not to exceed the total amount appropriated to
9 that community college under this article. The auditor general is
10 authorized to investigate allegations of violations of this
11 section. Funds forfeited under this section must be redistributed
12 as follows:

13 (a) 10% to the auditor general for the sole purpose of
14 investigating further allegations of similar or identical
15 violations of this section.

16 (b) 25% to the other community colleges that receive an
17 appropriation in section 201.

18 (c) 65% to the state school aid fund.

19 (2) The state budget director shall make the determination if
20 a community college violates this section.

21 Sec. 217f. It is the intent of the legislature that taxpayer
22 funds appropriated under this article are to be used to educate
23 community college students and continue maintenance of community
24 college buildings and other assets. The goal of the legislature is
25 that taxpayer funds not be used excessively for administration
26 staff who do not teach or protect public assets. Therefore, a
27 community college that receives an appropriation under this act
28 shall not spend more than 10% of its total salaries to staff who do
29 not educate students for credit hours or provide maintenance

1 functions, such as cleaning the buildings, fixing the buildings,
2 tending landscaping, or maintaining the peace as law enforcement
3 officers authorized in accordance with the Michigan commission on
4 law enforcement standards act, 1965 PA 203, MCL 28.601 to 28.615.
5 As money is fungible, the source of an expenditure on staff
6 salaries is irrelevant for the purposes of this section. A sum of
7 money spent in excess of the 10% cap described in this section by a
8 community college results in a forfeiture of an amount equal to 50%
9 of that sum from funds appropriated to that community college, not
10 to exceed the total amount appropriated to that community college
11 under this article. The auditor general may investigate allegations
12 of violations of this section. Funds forfeited under this section
13 must revert, to the extent permitted by law, to the general fund or
14 the state school aid fund.

15 Sec. 217g. (1) The board of a community college that
16 participates in intercollegiate athletic activities shall designate
17 intercollegiate athletic teams and sports based on the sex of the
18 participants, with separate teams for participants of the female
19 sex within female sports divisions, separate teams for participants
20 of the male sex within male sports divisions, and, if applicable,
21 co-ed teams for participants of the female and male sexes within
22 co-ed sports divisions. A community college district shall not
23 knowingly allow individuals of the male sex to participate on
24 athletic teams or in athletic competitions designated for only
25 participants of the female sex. This section must not be construed
26 to restrict the eligibility of any student to participate on any
27 intercollegiate athletic teams or in intercollegiate athletic
28 activities that are designated as male or co-ed. As used in this
29 section:

1 (a) "Female" means an individual of the sex characterized by a
2 reproductive system with the biological function of producing eggs
3 (ova).

4 (b) "Male" means an individual of the sex characterized by a
5 reproductive system with the biological function of producing
6 sperm.

7 (c) "Sex" means an individual's immutable biological
8 classification as male or female.

9 (2) If the state budget director finds that a community
10 college has not complied with this section, the state budget
11 director is authorized to withhold 5% of the monthly operations
12 installments provided to that community college under section 201
13 until the state budget director finds that the community college
14 has complied with this section.

15 Sec. 217h. Each community college that receives an
16 appropriation in section 201 shall post a list of all employees who
17 work remotely, including the employee's title and salary, to the
18 institution's website.

19 Sec. 217i. (1) Each community college that receives an
20 appropriation in section 201 shall not have any common area spaces
21 that are restricted by sex or race. A community college shall not
22 have any public ceremonies or gatherings that are restricted by sex
23 or race.

24 (2) If the state budget director finds that a community
25 college has not complied with this section, the state budget
26 director is authorized to withhold 5% of the monthly operations
27 installments provided to that community college under section 201
28 until the state budget director finds that the community college
29 has complied with this section.

Sec. 222. Each community college shall have an annual audit of all income and expenditures performed by an independent auditor and shall furnish the independent auditor's management letter and an annual audited accounting of all general and current funds income and expenditures including audits of college foundations to the center before November 15 of each year. The center shall provide this information to members of the senate and house appropriations subcommittees on community colleges, the senate and house fiscal agencies, the auditor general, the department of labor and economic opportunity, the department of lifelong education, advancement, and potential, and the state budget director. If a community college fails to furnish the audit materials, the monthly state ~~aid~~ **operations** installments must be withheld from that college until the information is submitted. All reporting must conform to the requirements set forth in the "2001 Manual for Uniform Financial Reporting, Michigan Public Community Colleges". A community college shall make the information the community college is required to provide under this section available to the public on its website.
