24 department shall review and revise as necessary policy proposals
25 that provide alternatives to prison for offenders being sentenced
26 to prison as a result of technical probation violations and
27 technical parole violations. To the extent the department has
28 insufficient policies or resources to affect the continued increase
29 in prison commitments among these offender populations, from the

1 funds appropriated in part 1, the department shall explore other
2 policy options to allow for program alternatives, including
3 department or OCC-funded programs, local level programs, and

28 (e) The distribution of the total number of prisoners reviewed
29 during that quarter grouped by whether the prisoner had been

1 interviewed for the first, second, third, fourth, fifth, sixth, or
2 more than sixth time.

3 (f) The number of paroles granted, denied, or deferred for
4 each of the parole guideline scores of low, average, and high.

2 information form designating a family member or other individual to
3 whom the department shall release records and information regarding
4 the prisoner upon the request of the prisoner. The prisoner may
5 elect to withdraw or amend the medical release of information form
6 at any time.

14 department shall report the cost per prisoner per day for each
15 security custody level. This cost must include all actual direct
16 and indirect costs for the previous fiscal year. To calculate the
17 cost per prisoner per day, the department shall divide the

21 department shall focus on providing required programming to
22 prisoners as early as possible during the prisoner's sentence in
23 order to impact the prisoner's behavior while incarcerated, and
24 prioritize individuals who are past their earliest release date and
25 have not been paroled because of not having received the required
26 programming. Programming includes, but is not limited to, violence
27 prevention programming, sexual abuse prevention programming,
28 substance use disorder programming, thinking for a change
29 programming, and any other programming that is required as a

16 department shall allow that 1 person to be present during the
17 prisoner's labor and delivery, in addition to a doula being present
18 if the pregnant prisoner wants to work with a doula. The person
19 allowed to accompany the prisoner must be an immediate family
20 member, legal guardian, spouse, or domestic partner. The department
21 is authorized to deny access to a visitor if the department has a
22 safety concern with that visitor's access. The department is
23 authorized to conduct a criminal background check on the visitor.

24 Sec. 709. From the funds appropriated in part 1, the
25 department shall evaluate all prisoners at intake for substance use
26 disorders, serious developmental disorders, serious mental illness,
27 and other mental health disorders. Prisoners with serious mental
28 illness or serious developmental disorders must not be removed from
29 the general population as a punitive response to behavior caused by

1 their serious mental illness or serious developmental disorder. A
2 prisoner with serious mental illness or serious developmental
3 disorder that is unresponsive to treatment who presents a
4 persistent high violence risk or engages in severe disruptive
5 behavior may be placed in secure residential housing programs that

25 months.

26 (b) A continuous period exceeding 6 months but less than 12
27 months.

28 (c) A continuous period exceeding 12 months or longer.

29 (3) For any prisoner housed in administrative segregation for

1 12 months or longer, an explanation of the circumstances
2 surrounding the prisoner's placement in administrative segregation.

3 Sec. 711. From the funds appropriated in part 1, the
4 department shall do all of the following:

5 (a) Ensure that any inmate care and control staff in contact
6 with prisoners less than 18 years of age are adequately trained
7 with regard to the developmental and mental health needs of
8 prisoners less than 18 years of age. Not later than April 1, the
9 department shall report on the training curriculum used and the
10 number and types of staff receiving annual training under that
11 curriculum.

12 (b) Provide appropriate placement for prisoners less than 18
13 years of age who have serious mental illness, serious emotional

15 housed separately from the general population. Prisoners less than
16 18 years of age who have serious mental illness, serious emotional
17 disturbance, or a serious developmental disorder must not be
18 removed from an existing placement as a punitive response to
19 behavior caused by their serious mental illness, serious emotional
20 disturbance, or a serious developmental disorder. A prisoner who is
21 less than 18 years of age with serious mental illness or a serious
22 developmental disorder that is unresponsive to treatment who
23 presents a persistent high violence risk or engages in severe
24 disruptive behavior may be placed in secure residential housing
25 programs that facilitate access to institutional programming and
26 ongoing mental health services. A prisoner less than 18 years of
27 age with serious mental illness, serious emotional disturbance, or

2 hours.

3 (c) Implement a specialized offender success program that
4 recognizes the needs of prisoners less than 18 years of age for
5 supervised offender success.

6 Sec. 712. From the funds appropriated in part 1, the
7 department shall submit quarterly reports on the number of youth in
8 prison. The report must include, but not be limited to, all of the
9 following information:

26 (c) The number of prisoners who applied to have visiting
27 privileges restored.

28 (d) The number of prisoners who had visiting privileges
29 restored.

1 (e) The number of prisoners who had visiting restrictions
2 extended.

3 Sec. 714. Funds appropriated in part 1 for intelligence unit
4 must be used by the department to maintain an intelligence unit to
5 conduct investigatory and intelligence operations for the
6 department. Intelligence operations must include, but not be
7 limited to, intelligence operations for prisoner phone services.
8 Savings that result from transferring responsibility for
9 intelligence operations from the contractor to the department must
10 be passed on to prisoners and prisoners' families as the department
11 continues to negotiate lower phone call rates in all future
12 contracts. The department must continue to pursue all opportunities
13 for reducing further the cost of phone calls for prisoners and
14 prisoners' families.

15 Sec. 715. (1) From the funds appropriated in part 1, the
16 department must submit a preliminary report on the department's
17 plans to close, consolidate, or relocate any correctional facility
18 in the state. The preliminary report must be provided not less than

6 closure of the facility.

7 Sec. 716. From the funds appropriated in part 1, the
8 department shall consult with the legislature and other appropriate
9 state agencies to develop a framework to provide investment in
10 communities that have formerly operational state correctional
11 facilities that have been closed. This framework must include plans
12 to ensure that vacant state correctional facilities do not become a
13 nuisance or danger to the community.

14 Sec. 717. From the funds appropriated in part 1, the
15 department shall make an information packet for the families of
16 incoming prisoners available on the department's website. The
17 information packet must be reviewed not later than February 1 and
18 updated as necessary. The department may partner with external
19 advocacy groups and actual families of prisoners in the packet-
