Sec. 218. To the extent possible, the department shall not expend appropriations under part 1 until all existing authorized work project funds available for the same purposes are exhausted.

The state budget director shall take steps to ensure that all state fiscal recovery funds allocated to this state under the American rescue plan act of 2021, Public Law 117-2, are expended by December 31, 2026, as required by law. A department or agency receiving an appropriation under this part or part 1 must notify the standard report recipients if an appropriation of funds described under this section is projected to lapse.

Sec. 222. 16 direct appropriation grants, the department shall work with the
17 state budget office to perform at least all of the following
18 activities to administer the grants described in subsection (1):

19 (a) Develop a standard application process using the
20 electronic submission portal developed by the state budget office,
21 grantee reporting requirements, and any other necessary
22 documentation, including sponsorship information as specified under
23 subsection (4). If the electronic submission portal identified in
24 this subdivision is not fully functional by 60 days after the
25 effective date of this act, the state budget office shall ensure

4 been submitted and reviewed.

5 (c) Verify to the extent possible that a grant recipient will
6 use funds for a public purpose that serves the economic prosperity,
7 health, safety, or general welfare of the residents of this state.

8 (d) Review and verify all necessary information to ensure the
9 grant recipient is reasonably able to execute the grant agreement,
10 perform its fiduciary duty, and comply with all applicable state
11 and federal statutes. The department may deduct the cost of
12 background checks and any other efforts performed as part of this
13 verification from the amount of the designated grant award.

14 (e) Establish a standard timeline to review all documents
15 submitted by grant recipients and provide a response within 45
16 business days stating whether submitted documents by a grant
17 recipient are sufficient or in need of additional information. If
18 additional information is needed, the 60-day deadline in subsection
19 (2) is considered to have been met if a sponsor has been identified
20 for that grant. If a grant recipient does not provide information
21 sufficient to execute a grant agreement not later than 60 days
22 after being notified by the department of grant approval, the
23 department shall return funds associated with the grant to the
24 state treasury.

25 (f) Make an initial disbursement of up to 50% of the grant to
26 the grant recipient not later than 60 days after a grant agreement
27 has been executed. Disbursements must be consistent with part II,
28 chapter 10, section 200 of the Financial Management Guide.

29 (g) Disburse the funds remaining after the initial

1 disbursement under subdivision (f) per the grant disbursement
2 schedule in the executed grant agreement on a reimbursement basis
3 after the grantee has provided sufficient documentation, as
4 determined by the department, to verify that expenditures were made
5 in accordance with the project purpose.

6 (4) The process for sponsorship of a grant described in
7 subsection (1) is as follows:

8 (a) Not later than the effective date of this act, the state
9 budget office shall provide an initial list of grants that require
10 legislative sponsorship to the legislature and shall make public an
11 initial list of grants that likely will be sponsored by the
12 department or by the state budget office.

13 (b) A sponsor of a grant described in subsection (1) must be a
14 legislator, the department, or the state budget office.

15 (c) A legislative sponsor must be identified through a letter
16 submitted by that legislator's office to the department and state
17 budget director containing the name of the grant recipient, the
18 intended amount of the grant, a certification from that legislator
19 that the grant is for a public purpose, and specific citation of
20 the section and subsection of the public act that authorizes the
21 grant, as applicable.

22 (d) Within 10 business days after the effective date of this
23 act, the senate and house of representatives shall compile an
24 initial list of legislative grant sponsors for their respective
25 chambers and submit those compiled lists to the state budget office
26 and the department, and the state budget office shall identify
27 department- or state budget office-sponsored grants. The state
28 budget director may grant an extension of this deadline of not more

4 act, the state budget office shall publish a final list of grants
5 requiring sponsorship. If a legislative sponsor is not identified

7 shall do 1 of the following:

8 (i) Identify the department or the state budget office as the
9 sponsor.

10 (ii) Decline to execute the grant agreement and lapse the
11 associated funds at the end of the fiscal year.

13 sponsors may be added to a grant request.

14 (5) An executed grant agreement under this section between the
15 department and a grant recipient must include at least all of the
16 following:

17 (a) All necessary identifying information for the grant
18 recipient, including any tax and financial information for the
19 department to administer funds under this section.

20 (b) A description of the project for which the grant funds
21 will be expended, including tentative timelines and the estimated
22 budget. The department shall not reimburse expenditures that are
23 outside of the project purpose, as stated in the executed grant
24 agreement, from appropriations in part 1. The grantee shall return
25 to the treasury any interest in excess of \$1,000.00 earned on the
26 grant funds while unexpended and in possession of the grantee.

27 (c) Unless otherwise specified in department policy, a
28 requirement that funds appropriated for the grants described in
29 subsection (1) may be used only for expenditures that occur on or

1 after the effective date of this act.

2 (d) A requirement for reporting by the grant recipient to the
3 department and the legislative sponsor that provides the status of
4 the project and an accounting of all funds expended by the grant
5 recipient, as determined by the department.

6 (e) A clawback provision that allows the department of
7 treasury to recoup or otherwise collect any funds that are
8 declined, unspent, or otherwise misused.

9 (f) The signed legislative sponsorship letter required under
10 subsection (4), incorporated into the grant agreement and included
11 as an appendix or attachment.

12 (g) If a grant recipient has provided information sufficient
13 to execute a grant agreement, the state budget office shall
14 promptly transmit that information to the department for the
15 department's review of the grant application. If a grant recipient
16 has provided information sufficient to execute a grant agreement
17 within 60 days after the effective date of this act, but the grant
18 application needs technical fixes or additional legislative action,
19 as identified by the state budget office, the 60-day deadline in
20 this subdivision is considered to have been met, if a sponsor has
21 been identified for that grant. If a grant recipient does not
22 provide information sufficient to execute a grant agreement not
23 later than 60 days after being notified by the department of grant
24 approval, the department shall return funds associated with the
25 grant to the state treasury.

26 (6) If appropriate to improve the administration or oversight
27 of a grant described in subsection (1), the department may adopt a
28 memorandum of understanding with another state department to
29 perform the required duties under this section.

1 (7) A grant recipient shall respond to all reasonable
2 information requests from the department related to grant
3 expenditures and retain grant records for not less than 7 years,
4 and the grant may be subject to monitoring, site visits, and audits
5 as determined by the department. The grant agreement required under
6 this section must include signed assurance by the chief executive
7 officer or other executive officer of the grant recipient that the
8 requirements of this subsection will be met.

9 (8) The grant recipient shall expend all funds awarded and
10 complete all projects not later than September 30, 2030. If at that
11 time any unexpended funds remain, the grant recipient shall return
12 those funds to the state treasury.

13 (9) Any funds that are granted to a state department are
14 appropriated in that department for the purpose of the intended
15 grant.

16 (10) The state budget director may, on a case-by-case basis,
17 extend the deadline in subsection (8) on request by a grant
18 recipient if a sponsor has been identified for the grant. The state
19 budget director shall notify the chairs of the senate and house of
20 representatives appropriations committees not later than 5 days
21 after an extension is granted.

22 (11) By March 1 of the current fiscal year, the state budget
23 office shall post a report in a publicly accessible location on its
24 website. The report must list the grant recipient, project purpose,
25 and location of the project for each grant described in subsection
26 (1), the status of funds allocated and disbursed under the grant
27 agreement, and the legislative sponsor, if applicable. After March
28 1, the state budget office shall update the report monthly and
29 shall post the updated report each month. The state budget office

1 shall include in the report the most comprehensive information the
2 office has available at the time of posting for grants awarded. The
3 state budget office may compile the information required in this
4 report across all departments. The department shall assist the
5 state budget office with the compilation of the report required
6 under this subsection.

8 this act, the state budget office shall release information
9 received for grant applications

10 (13) As applicable, the legislative sponsor of a grant
11 described in subsection (1) shall not sponsor a grant, or ask
12 another legislator to sponsor a grant, if there is a conflict of
13 interest related to the grant recipient.

14 (14) If the department reasonably determines that the funds
15 allocated for an executed grant agreement under this section were
16 misused or that use of the funds was misrepresented by the grant
17 recipient, the department shall not award any additional funds
18 under the executed grant agreement and shall refer the grant for
19 review following internal audit protocols.

20 Sec. 223. (1) General fund appropriations in part 1 shall not
21 be expended for items if federal funding or private grant funding
22 is available for the same expenditures.

23 (2) If the department is required to make a reduction in
24 expenditures under section 395(1) or (2) of the management and
25 budget act, 1984 PA 431, MCL 18.1395, for any appropriation under
26 this part or part 1, the department must notify the standard report
27 recipients not later than 10 days after the reduction. The
28 notification must include, but not be limited to, the following:

8 act, the department must provide a report to the standard report
9 recipients containing the following information:

10 (a) A list of any sections in this act that the department
11 determines to be unenforceable, with a detailed legal rationale for
12 those determinations, as applicable.

13 (b) If a determination under subdivision (a) would affect the
14 operations of a program or programs within the department, the
15 department must report the estimated difference in cost between the
16 policy outlined in the section determined to be unenforceable and
17 the policy the department intends to pursue.

18 (2) The department may coordinate with the executive office of
19 the governor or other state departments or agencies to compile a
20 statewide report for any departments or agencies required to submit
21 a report substantially similar to the report described under
22 subsection (1).
