**STATE OF MICHIGAN
84TH LEGISLATURE
REGULAR SESSION OF 1988**

Introduced by Senators Binsfeld, Ehlers, Cherry and Gast

ENROLLED SENATE BILL No. 953

AN ACT to amend sections 3 and 4 of Act No. 411 of the Public Acts of 1980, entitled "An act to promote the recycling of used oil and provide duties of certain state officers," being sections 319.313 and 319.314 of the Michigan Compiled Laws.

The People of the State of Michigan enact:

Section 1. Sections 3 and 4 of Act No. 411 of the Public Acts of 1980, being sections 319.313 and 319.314 of the Michigan Compiled Laws, are amended to read as follows:

Sec. 3. The director of the department of natural resources shall implement a plan to promote the recycling of motor oil by the public and private sectors. The director of the department of natural resources shall conduct a public education program to inform the public and private sectors of the need for, and benefit of, collecting and recycling used oil in order to conserve resources and protect the natural resources of this state.

Sec. 4. (1) The director of the department of management and budget shall formulate and implement a plan to recycle the motor oil used by the departments and agencies of this state.

(2) The director of the department of natural resources shall conduct a demonstration used oil recycling project that does all of the following:

(a) Provides for a system of used oil recycling tanks or barrels for use by the general public. The recycling tanks or barrels shall be located in designated state owned vehicle maintenance garages or other publicly owned structures that the director of the department of natural resources determines meet both of the following criteria:

(i) Are locations where used oil is generated from oil changes for state owned vehicles, or vehicles operated under contracts with this state.

(ii) Are locations where oil recycling services are not otherwise available to the general public.

(b) Promotes public awareness of the availability to the general public of recycling tanks or barrels for used oil.

(3) The director of the department of natural resources shall establish a project plan for conducting the demonstration project provided for in subsection (2). The project plan shall include the number of locations, proposed sites, methods of public notice, security procedures, and model language for cooperative agreements with other state agencies for use of their facilities in the demonstration project.

(4) Funding necessary to implement this act may come from any lawful source, including appropriations, funds from private sources, and funds generated from the sale of general obligation bonds.
