***ADDENDUM TO SENATE FISCAL  
AGENCY ANALYSIS OF SENATE BILL  
19***

The House Liquor Control Committee adopted technical and clarifying amendments to the Senate-passed version of Senate Bill 19, as follows:

(1) The beer and wine wholesaler being added to the grape and wine industry council would have to be one that marketed Michigan wines. There was no such requirement in the bill that passed the Senate.

(2) The dates for making the appointments of the two new voting members of the council would be pushed back two years. The dates found in the original bill have already passed.

***POSITIONS:***

A representative from the Michigan Department of Agriculture testified in support of the bill before the House Liquor Control Committee. (3-20-90)
