A SUMMARY OF HOUSE BILL 4285 AS INTRODUCED 2-23-89

The bill would amend Public Act 298 of 1917 to increase from three mills to six mills the maximum tax on property that cities and villages can levy for the purpose of establishing and maintaining systems or plants for the collection and disposal of garbage. The amount of bonds that can be issued for that purpose would be increased accordingly. Currently, a city council or the president and board of trustees of a village can levy up to three mills; the bill would allow them to levy up to an additional three mills if approved by the voters.
