A SUMMARY OF HOUSE BILL 4598 AS INTRODUCED 4-11-89

The bill would amend Public Act 213 of 1963 (which provides procedures for bonding contractors for public works), adding a new section to exempt contracts awarded under the Drain Code from the act's provisions. The bill is tie-barred to House Bill 4456, which would allow drain commissioners to accept various forms of security (including co-signers) from successful bidders on drain contracts of \$100,000 or more.
