Introduced by Rep. Pridnia

ENROLLED HOUSE BILL No. 5412

AN ACT to amend section 2615 of Act No. 368 of the Public Acts of 1978, entitled as amended "An act to protect and promote the public health; to codify, revise, consolidate, classify, and add to the laws relating to public health; to provide for the prevention and control of diseases and disabilities; to provide for the classification, administration, regulation, financing, and maintenance of personal, environmental, and other health services and activities; to create or continue, and prescribe the powers and duties of, departments, boards, commissions, councils, committees, task forces, and other agencies; to prescribe the powers and duties of governmental entities and officials; to regulate occupations, facilities, and agencies affecting the public health; to regulate health maintenance organizations and certain third party administrators and insurers; to promote the efficient and economical delivery of health care services, to provide for the appropriate utilization of health care facilities and services, and to provide for the closure of hospitals or consolidation of hospitals or services; to provide for the collection and use of data and information; to provide for the transfer of property; to provide certain immunity from liability; to regulate and prohibit the sale and offering for sale of drug paraphernalia under certain circumstances; to provide for penalties and remedies; to repeal certain acts and parts of acts; to repeal certain parts of this act; and to repeal certain parts of this act on specific dates," being section 333.2615 of the Michigan Compiled Laws.

The People of the State of Michigan enact:

Section 1. Section 2615 of Act No. 368 of the Public Acts of 1978, being section 333.2615 of the Michigan Compiled Laws, is amended to read as follows:

Sec. 2615. The department shall determine, not less than biennially, the level of coverage of the people of this state for each basic public health service prescribed under section 2311. This determination may be made by scientific sampling of the population or other scientific statistical techniques that will provide an accurate estimate of the level of coverage.

This act is ordered to take immediate effect.
