Sponsor: Rep. William R. Bryant, Jr.

Committee: House Oversight

A SUMMARY OF HOUSE BILL 4033 AS INTRODUCED 1-31-91

The bill would amend the Michigan Campaign Finance Act so that an elected public official could not maintain an officeholder expense fund after December 31, 1991. No such fund could be established after July 31, 1991. Before the December 31st deadline, unexpended funds in an OEF would have to be given to a tax-exempt charitable organization. (Currently, the act permits an official to establish an OEF and says it can be used "for expenses incidental to the person's office" but cannot be used to further the person's nomination or election.)
