**A SUMMARY OF HOUSE BILLS 4035 AND 4036 AS INTRODUCED 1-31-91**

House Bill 4035 would amend the Waste Management and Resource Recovery Act of 1978 to allow fees for waste management services to be entered directly on the tax roll to be collected as property taxes are collected. If such fees are not paid before February 15, they would be returned as delinquent to the county treasurer in the same manner as delinquent taxes. House Bill 4036 would amend Public Act 188 of 1954, which deals with township public improvements and special assessments, to allow special assessments under that act to be added to the tax roll and collected in the same manner as property taxes.
