**A SUMMARY OF HOUSE BILL 4077 AS INTRODUCED 2-5-91**

The bill would create a new public act to require that video movies be conspicuously labeled with their official motion picture ratings. An unrated movie, or one that had been altered after being rated, would instead have to be conspicuously marked "not rated." It would be a misdemeanor punishable by a fine of up to \$100 to sell at retail or rent video movies that were not labeled as required by the bill.
