CAMPUS CRIME REPORTS

House Bill 4080

Sponsor: Rep. Lyn Bankes

Committee: Colleges & Universities

Complete to 3-11-91

A SUMMARY OF HOUSE BILL 4080 AS INTRODUCED 2-5-91

The bill would create the Michigan College and University Security Information Act to require a college or university to submit a uniform crime report to the Department of State Police by August 1 of each year. The report would contain the same information required in the monthly crime reports that area police agencies must submit under the Uniform Crime Reporting Act. The institution would also be required to publish a campus crime report, updated annually, containing information on campus crime statistics and the institution's security policies. This latter report would be distributed at least once per year to all employees, to students enrolled on campus, to students applying for admission, and to new employees. A separate report would be published for each branch campus and for the institution's main campus. The provisions of the act could be enforced by the attorney general.
