ENVIRONMENTAL VIOLATORS

House Bill 4125

**Sponsor: Rep. Margaret O'Connor
Committee: Conservation, Recreation
& Environment**

Complete to 3-11-91

A SUMMARY OF HOUSE BILL 4125 AS INTRODUCED 2-7-91

Currently, under the Hazardous Waste Management Act, a person who wishes to establish a treatment, storage, or disposal facility must first apply for a construction permit. The bill would require the director of the Department of Natural Resources to deny the application of an applicant who had been convicted of a criminal or civil violation of any federal, state, Canadian, or provincial environmental statute.
