EXEMPT MOBILE CAR CRUSHERS

House Bill 4131

Sponsor: Rep. Lynn Owen

Committee: Transportation

Complete to 2-12-91

A SUMMARY OF HOUSE BILL 4131 AS INTRODUCED 2-7-91

The Michigan Vehicle Code generally provides that all vehicles are subject to registration and user fees but does include a special category of vehicles, known as "special mobile equipment," which are exempt from registration (i.e. farm machinery, road construction vehicles, and the like). The definition includes vehicles that are not designed or used mainly for transporting persons or property and that are incidentally operated or moved over roads. The bill would amend the act to specify that the combination of a mobile car crusher trailer permanently attached to a truck tractor or road tractor would be considered special mobile equipment for purposes of the act and, thus, would not be subject to registration.
