Committee: Education

Complete to 5-9-91

A SUMMARY OF HOUSE BILL 4275 AS INTRODUCED 2-15-91

The bill would amend the School Code to require intermediate and local school districts to obtain competitive bids before contracting for health, dental, vision, disability, life, or other insurance coverage. The bids required would apply only to the cost of the total coverage. (The scope of each kind of coverage, the bill says, would continue to be negotiated.)
