A SUMMARY OF HOUSE BILL 4400 INTRODUCED 2-17-91

House Bill 4400 would amend the Older Michiganians Act to require the Office of Services to the Aging to administer an Older Michiganians Pharmaceutical Assistance Fund. The fund could receive appropriations and contributions. Money remaining in the fund at the end of a fiscal year, including earned interest, would be carried over to the next and succeeding fiscal years and would not revert to the general fund. The fund would be used by the office to establish a program to assist older persons with prescription drug payments, including insulin, syringes, and needles.
