**A SUMMARY OF HOUSE BILL 4416 AS INTRODUCED 2-28-91**

The bill would amend the fingerprinting law, Public Act 120 of 1935, to provide for fingerprinting and fingerprint checks done in conjunction with adoption investigations. As with fingerprinting and fingerprint checks done for other purposes, the state police could charge a fee of up to \$15 to cover its costs. The fee would be collected and paid by the child placing agency that was required to obtain a criminal conviction record under the relevant portion of the adoption code. (House Bill 4418 would amend the adoption code to enact such requirements for certain adoptions; however, it should be noted that House Bill 4416 is not tie-barred to House Bill 4418.)
