House Bill 4421

Sponsor: Rep. Shirley Johnson

Committee: Liquor Control

Complete to 4-11-91

A SUMMARY OF HOUSE BILL 4421 AS INTRODUCED 2-28-91

The number of on-premises liquor licenses available in a municipality usually depends on its population. The quota contained in the Michigan Liquor Control Act is one license per 1,500 persons. (There are a number of exceptions to the quota.) The bill would amend the Michigan Liquor Control Act so that, until December 31, 1994, the number of Class C licenses (for the on-premise consumption of beer, wine, and spirits) available in a local governmental unit could not be reduced because of the results of the 1990 federal decennial census.
