OPTOMETRIST SPECIAL FEES

House Bill 4425

Sponsor: Rep. Michael J. Bennane

Committee: State Affairs

Complete to 12-3-91

A SUMMARY OF HOUSE BILL 4425 AS INTRODUCED 2-28-91

Currently, under the State License Fee Act, optometrists are charged a \$20 application fee and a \$55 certification fee to use topical ocular diagnostic drugs. Without actually changing the fees, the bill would amend the act to specify the application and certification fees for administering diagnostic drugs or for administering and prescribing therapeutic drugs (that is, application fees would remain at \$20 and certification fees would each be \$55).
