A SUMMARY OF HOUSE BILLS 4617 - 4619 AS INTRODUCED 3-21-91

The Michigan Employment Security Commission (MESC), the Bureau of Employment Standards (within the Department of Labor) and the Michigan State Accident Fund (within the Department of Commerce) are granted certain powers and responsibilities under their respective governing acts. The bills would amend the acts that govern these agencies to require each of them, if requested in writing, to disclose certain records or information to the other agencies or the Department of Treasury. None of the bills could be enacted unless all of them were.

House Bill 4617 would amend the Michigan Employment Security Act (MCL 421.11) to require the MESC to disclose information obtained from an employing unit or an individual, House Bill 4618 would amend the Executive Organization Act (MCL 16.497) to require the employment standards bureau to disclose information obtained from any source, and House Bill 4619 would amend the Worker's Disability Compensation Act (MCL 418.230) to require the state accident fund or the Insurance Bureau to disclose records and information which currently are exempt from the disclosure requirements of the Freedom of Information Act.
