A SUMMARY OF HOUSE BILL 4785 AS INTRODUCED 5-02-91

Currently, under Public Act 156 of 1851, a county board of commissioners may vote to credit an employee with service resulting from employment with another political entity. In order to be eligible, the break-in-service between the two governmental units may not be longer than five years. Under House Bill 4785, the break-in-service would be extended to fifteen years. The bill would also extend to fifteen years the act's current provision that service rendered before the last break-in-service of more than five years may not be credited.
