TRUCKS REQ'D. IN RIGHT LANE

House Bill 4853

Sponsor: Rep. Michael J. Bennane

Committee: Transportation

Complete to 8-29-91

A SUMMARY OF HOUSE BILL 4853 AS INTRODUCED 5-22-91

The Michigan Vehicle Code currently allows the driver of a motor vehicle to drive in any lane open for travel when driving on a one-way roadway with two or more lanes. The bill would amend the act to require the driver of a truck on such roadways to drive only in the extreme right-hand lane open for travel, except that he or she could drive in the left lane "for a reasonable distance" in order to make a left turn.
