and Retirement

Complete to 9-9-91

A SUMMARY OF HOUSE BILL 4932 AS INTRODUCED 6-10-91

Currently, under the State Employees' Retirement Act, a member who has 25 or more years of service in a "covered position" (generally, a Department of Corrections employee who has direct contact with prisoners) may retire between the ages of 51 and 62 years provided that the member's last three years of credited service are covered service and a written request for retirement has been filed with the retirement board. House Bill 4932 would amend the act to delete the requirement that the member be 51 years of age.
