House Bill 4995

Sponsor: Rep. Sal Rocca

Committee: Military & Veterans Affairs

Complete to 9-3-91

A SUMMARY OF HOUSE BILL 4995 AS INTRODUCED 6-26-91

The Management and Budget Act was amended in 1988 to create the Michigan Capitol Park, which is made up of certain state-owned land in downtown Lansing, including land that is bounded by Ottawa Street on the north, Allegan Street on the south, part of Sycamore Street on the east, and Logan Street on the west. The bill would amend the act to provide that upon the bill's effective date, this particular area of the park would be known as Veterans Memorial Park. Not more than two acres within this area that was directly west of the Capitol Dome and directly north of the Library of Michigan arch would have to be the site of the Vietnam veterans memorial monument.
