House Bill 5043

Sponsor: Rep. William R. Bryant, Jr.

Committee: Public Utilities

Complete to 8-14-91

A SUMMARY OF HOUSE BILL 5043 AS INTRODUCED 7-25-91

The bill would add a new section to Public Act 206 of 1913, which regulates telephone companies as common carriers, to require that telephone companies providing basic local service also offer "caller identification" at a reasonable cost. The bill also would prohibit telephone companies from allowing customers' numbers to be blocked from identification unless the customer was a law enforcement agency.
