A SUMMARY OF HOUSE BILL 5138 AS INTRODUCED 9-19-91

Public Act 51 of 1951 provides for the allocation of monies out of the Michigan Transportation Fund for various transportation needs and, among other things, requires that \$36.775 million be directed from the fund annually, until September 30, 1993, to the state trunk line fund for subsequent deposit into the transportation economic development (TED) fund or to pay down the debt on bonds issued for TED projects. The bill would amend the act to extend the sunset on this provision to September 30, 1998.
