& Environment**

**Complete to 9-27-91**

**A SUMMARY OF HOUSE BILL 5141 INTRODUCED 9-19-91**

The bill would amend Public Act 17 of 1921, the Department of Natural Resources act, to require the director of the Department of Natural Resources (DNR) to appear before a joint meeting scheduled by the committees of the Senate and the House responsible for natural resources and environmental issues. During his appearance, the director would be required to submit the following information for the previous calendar year:

- A report on all policies of the DNR or the Commission of Natural Resources that had been developed or updated, with copies for committee members.
- A report on activities that DNR had undertaken.
- If requested by one or more committee members, copies of any or all policies of the department and the commission.
- A report on the amount received and expended by the state from hunter and angler license fees.
