**A SUMMARY OF HOUSE BILL 5275 AS INTRODUCED 10-17-91**

Currently, under the Michigan historical commission act (Public Act 169 of 1970), local units of government may by ordinance regulate the construction, alteration, repair, moving, and demolition of historic and nonhistoric structures in historic districts within local boundaries. The bill would amend the act to include the interior fixtures of historic structures under the act's provisions.
