House Bill 5283

Sponsor: Rep. Roland G. Niederstadt

Committee: Transportation

Complete to 10-24-91

A SUMMARY OF HOUSE BILL 5283 AS INTRODUCED 10-23-91

The Pupil Transportation Act was amended last year to prohibit a school bus driver, when using red flashers to warn other drivers to stop in order to receive or discharge pupils, from stopping a bus within 50 feet of an intersection. The bill would amend the act to make this provision apply only when an intersection was controlled by a traffic signal.
