**A SUMMARY OF HOUSE BILL 5304 AS INTRODUCED 10-30-91**

The bill would create a new act to require the legislature to enact an apportionment and redistricting plan for the state Senate and House of Representatives before January 1, 1992. If the legislature failed to enact a plan by that deadline, the bill would require the state supreme court to review all available apportionment and redistricting plans and select the plan that most closely complies with the federal Voting Rights Act and the apportionment and redistricting guidelines established by the legislature.
