GRADE CHANGE PROCESS

House Bill 5385

Sponsor: Rep. William R. Keith

Committee: Education

A SUMMARY OF HOUSE BILL 5385 AS INTRODUCED 12-9-91

The School Code provides a process that must be followed for a school board to allow the changing of a grade given to a pupil by a teacher. If a teacher does not initially agree to a change in a grade, a five-member review panel is established made up of three teachers, a school board member, and the superintendent of schools (or a designee). A teacher can appeal the decision of a review panel to the school board, whose decision is final. House Bill 5385 would permit a pupil or a parent or legal guardian of a pupil also to appeal a decision of the review panel.
