House Bill 5394

Sponsor: Rep. Kirk A. Profit

Committee: Education

Complete to 1-21-92

A SUMMARY OF HOUSE BILL 5394 AS INTRODUCED 12-11-91

The bill would amend the School Code to prohibit the responsibility for funding and providing education to children who reside in facilities operated by the Department of Social Services (DSS) from being transferred to a local school district. The bill would, however, allow the DSS to enter into contracts with school districts or other providers for the provision of educational services and to consult with the Department of Education.
