AN ACT to amend section 36 of Act No. 228 of the Public Acts of 1975, entitled "An act to provide for the imposition, levy, computation, collection, assessment and enforcement, by lien or otherwise, of taxes on certain commercial, business, and financial activities; to prescribe the manner and times of making certain reports and paying taxes; to prescribe the powers and duties of public officers and state departments; to permit the inspection of records of taxpayers; to provide for interest and penalties on unpaid taxes; to provide exemptions, credits, and refunds; to provide penalties; to provide for the disposition of funds; to provide for the interrelation of this act with other acts; and to provide an appropriation," as amended by Act No. 257 of the Public Acts of 1990, being section 208.36 of the Michigan Compiled Laws.

The People of the State of Michigan enact:

Section 1. Section 36 of Act No. 228 of the Public Acts of 1975, as amended by Act No. 257 of the Public Acts of 1990, being section 208.36 of the Michigan Compiled Laws, is amended to read as follows:

Sec. 36. (1) As used in this section:

(a) "Active shareholder" means a shareholder who receives at least \$10,000.00 in compensation, director's fees, or dividends from the business, and who owns at least 5% of the outstanding stock.

(b) "Officer" means an officer of a corporation other than a subchapter S corporation including the chairperson of the board, president, vice-president, secretary, and treasurer, or persons performing similar duties.

(c) "Adjusted business income" means business income as defined in section 3 with all of the following adjustments:

(i) Add compensation and director's fees of active shareholders of a corporation.

(ii) Make the adjustments provided in section 9(4)(a) and (b).

(iii) Add compensation and director's fees of officers of a corporation.

(d) "Shareholder" means a person who owns outstanding stock in the business. An individual is considered as the owner of the stock owned, directly or indirectly, by or for family members as defined by section 318(a)(1) of the internal revenue code.

(e) "Loss adjustment" means the amount by which adjusted business income was less than zero in any of the 5 tax years immediately preceding the tax year for which eligibility for the credit provided by this section is being determined. In determining the loss adjustment for a tax year, a taxpayer is not required to use more of the taxpayer's total negative adjusted business income than the amount needed to qualify the taxpayer for the credit under this section. A taxpayer shall not be considered to have used any portion of the taxpayer's negative adjusted business income amount unless the portion used is necessary to qualify for the credit under this section. A taxpayer shall not reuse a negative adjusted business income amount used as a loss adjustment in a previous tax year or use a negative adjusted business income amount from a year in which the taxpayer did not receive the credit under this section.

(f) "Subchapter S corporation" means a corporation electing taxation under subchapter S of chapter 1 of subtitle A of the internal revenue code, sections 1361 to 1379 of the internal revenue code.

(2) The credit provided in this section shall be taken before any other credit under this act, and is available to any person whose gross receipts do not exceed \$6,000,000.00 for tax years commencing on or after January 1, 1984 and before January 1, 1989; \$7,000,000.00 for tax years commencing in 1989; \$7,250,000.00 for tax years commencing in 1990; \$7,500,000.00 for tax years commencing in 1991; or \$10,000,000.00 for tax years commencing after 1991, and whose adjusted business income minus the loss adjustment does not exceed \$475,000.00 for tax years commencing on or after January 1, 1985, subject to the following:

(a) An individual, a partnership, or a subchapter S corporation is disqualified if the individual, any 1 partner of the partnership, or any 1 shareholder of the subchapter S corporation receives more than \$95,000.00 for tax years commencing on or after January 1, 1985 as a distributive share of the adjusted business income minus the loss adjustment of the individual, the partnership, or the subchapter S corporation.

(b) A corporation other than a subchapter S corporation is disqualified if either of the following occur for the respective tax year:

(i) Compensation and director's fees of a shareholder or officer exceed \$95,000.00 for tax years commencing on or after January 1, 1985.

(ii) The sum of the following amounts exceeds \$95,000.00 for tax years commencing on or after January 1, 1985:

(A) Compensation and director's fees of a shareholder.

(B) The product of the percentage of outstanding stock owned by that shareholder multiplied by the difference of the sum of business income and the adjustments provided in section 9(4)(a) and (b) minus the loss adjustment.

(3) For the purposes of determining disqualification under subsection (2), an active shareholder's share of business income shall not be attributed to another active shareholder.

(4) A person who qualifies pursuant to subsection (2) is allowed a credit against the tax imposed by section 31. For tax years commencing before January 1, 1989, the credit is a percentage reduction in tax liability. For tax years commencing on and after January 1, 1989 and through tax years commencing in 1991, the credit is the greater of the amount by which the tax imposed by section 31 exceeds 4% of adjusted business income or 3% of adjusted business income for tax years commencing after 1991 or a percentage reduction in tax liability.

(5) The percentage reduction provided in subsection (4) is calculated by subtracting from 100% the percentage computed by dividing adjusted business income by 45% of tax base.

(6) If gross receipts exceed \$5,000,000.00 for tax years commencing on or after January 1, 1984 and before January 1, 1989; \$6,000,000.00 for tax years commencing in 1989; \$6,250,000.00 for tax years commencing in 1990; \$6,500,000.00 for tax years commencing in 1991; or \$9,000,000.00 for tax years commencing after 1991, the credit shall be reduced by a fraction, the numerator of which is the amount of gross receipts over \$5,000,000.00 for tax years commencing on or after January 1, 1984 and before January 1, 1989; \$6,000,000.00 for tax years commencing in 1989; \$6,250,000.00 for tax years commencing in 1990; \$6,500,000.00 for tax years commencing in 1991; or \$9,000,000.00 for tax years commencing after 1991, and the denominator of which is \$1,000,000.00. The credit shall not exceed 50% for tax years commencing before January 1, 1984; 90% for tax years commencing on or after January 1, 1984 and before January 1, 1988; or 100% for tax years commencing on and after January 1, 1988 of the tax liability imposed by section 31.

(7) An affiliated group as defined in this act and a controlled group of corporations or an entity under common control as defined by the internal revenue code shall not take the credit allowed by this section unless the business activities of the entities are consolidated.

(8) The department shall permit a taxpayer who elects to claim the credit allowed by this section based on the amount by which the tax imposed by section 31 exceeds the percentage of adjusted business income for the tax year as determined under subsection (4), and who is not required to reduce the credit pursuant to subsection (6), to file and pay the tax imposed by this act without computing the tax imposed under section 31.

This act is ordered to take immediate effect.
