*The People of the State of Michigan enact:*

Section 1. Section 206 of Act No. 213 of the Public Acts of 1982, being section 449.1206 of the Michigan Compiled Laws, is amended to read as follows:

Sec. 206. (1) A document required or permitted to be filed under this act shall be filed by delivering the document to the administrator together with the fees and accompanying documents required by law. A person who executes a certificate as an attorney in fact, agent, or fiduciary need not exhibit evidence of his or her authority as a prerequisite to filing. If the document substantially conforms to the requirements of this act, the administrator shall endorse upon it the word "filed" with his or her official title and the dates of receipt and of filing, and shall file and index the document or a reproduction of the document pursuant to the records media act in his or her office. If so requested at the time of the delivery of the document to his or her office, the administrator shall include the hour of filing in his or her endorsement on the document. The administrator shall prepare and return either a true copy of the document or the original, at his or her discretion, to the person who submitted it for filing showing the filing date. The records and files of the administrator relating to limited partnerships shall be open to reasonable inspection by the public. The records or files may, at the discretion of the administrator, be maintained either in their original form or in the form of reproductions pursuant to the records media act. The administrator may make reproductions of documents filed under this act, or any predecessor act, pursuant to the records media act and may destroy the originals of the documents so reproduced.

(2) The document is effective at the time it is endorsed unless a subsequent effective time, not later than 90 days after the date of delivery, is set forth in the document.

(3) The administrator may, at his or her discretion, require that a document required or permitted to be filed under this act be on a form prescribed by the administrator.

Section 2. This amendatory act shall not take effect unless House Bill No. 4438 of the 86th Legislature is enacted into law.

This act is ordered to take immediate effect.
