scholarship awards shall be available to each eligible Michigan resident student enrolled in an accredited registered nursing program at a four-year public or independent nonprofit college, a university, or a community college in the state. The tutorial and support program awards shall be available to each accredited registered nursing program at a 4-year public or independent nonprofit college, university, or community college in this state with an enrollment of not less than 5% minority students.

(b) "Michigan resident" means a person who was a resident of the state at the time of graduation from high school or for a minimum of 12 months prior to enrollment in the nursing degree program.

(4) The amount of the scholarship award to be paid for each semester or trimester shall be determined by the Michigan higher education assistance authority based upon an evaluation of the applicant's family's financial resources. In determining financial resources, the authority shall use the same criteria as used under Act No. 208 of 1964, being sections 390.971 to 390.981 of the Michigan Compiled Laws.

(5) Each scholarship award shall not exceed the amount of tuition and fees for the full academic year as reported by the college or university in which the applicant is enrolled, or an amount the Michigan higher education assistance authority finds appropriate in relation to the applicant's family's financial resources, whichever is the lesser.

(6) Each tutorial and support program award shall not exceed the amount of tuition and fees for the full academic year for each minority student as reported by the college or university in which the student is enrolled. Of the amount appropriated in section 101 for the Michigan nursing opportunity program, an amount not to exceed \$72,000.00 is appropriated for tutorial and support program awards.

Sec. 312. The sums appropriated in section 101 for state competitive scholarships, tuition grants, part-time independent student grants, grant for Michigan resident dental graduates, grant for general degree graduates, grant for allied health graduates, grant for Indian tuition waivers, Michigan education opportunity grants, and Michigan nursing opportunity grants shall be paid out of the state treasury and shall be distributed to the respective institutions in 9 monthly installments from October 1, 1991 to June 30, 1992.

Due to the public universities establishing 1991-92 academic year resident undergraduate tuition and fee rates prior to the enactment of the fiscal year 1991-92 state budget, the legislature recommends that the public universities increase need based financial aid expenditures for Michigan resident undergraduate students at the same rate as their increase in the respective tuition and fee rates.
