

Act No. 160  
Public Acts of 1991  
Approved by the Governor  
December 6, 1991  
Filed with the Secretary of State  
December 9, 1991

**STATE OF MICHIGAN  
86TH LEGISLATURE  
REGULAR SESSION OF 1991**

Introduced by Reps. Harrison, Jacobetti, DeMars and Joe Young, Sr.

# ENROLLED HOUSE BILL No. 5137

AN ACT to make appropriations for the department of natural resources, the department of management and budget, and for capital outlay purposes for the fiscal year ending September 30, 1992; to provide for certain work projects; to prescribe the powers and duties of certain state agencies and officials; and to provide for the expenditure of the appropriations.

*The People of the State of Michigan enact:*

Sec. 101. There is appropriated for the department of natural resources, the department of management and budget, and for capital outlay purposes to supplement former appropriations for the fiscal year ending September 30, 1992, from the following funds:

## APPROPRIATIONS SUMMARY

## **GENERAL SECTIONS**

Sec. 201. In accordance with the provisions of section 30 of article IX of the state constitution of 1963, total state spending in this appropriation act is \$128,521,000.00 and state appropriations to be paid to local units of government in section 101 are \$34,361,200.00 as follows:

### **LOCAL SPENDING**

|                                               |                  |
|-----------------------------------------------|------------------|
| Site reclamation loan and grant program ..... | \$ 15,750,000.00 |
| Water pollution control fund .....            | 15,700,000.00    |
| Waste management .....                        | 1,684,500.00     |
| Alternative municipal water supplies .....    | 1,226,700.00     |
| TOTAL .....                                   | \$ 34,361,200.00 |

### **TOTAL STATE SPENDING**

|                        |                   |
|------------------------|-------------------|
| Fiscal year 1992 ..... |                   |
| TOTAL .....            | \$ 128,521,000.00 |

Sec. 202. The appropriations made and expenditures authorized under this act and the departments, agencies, commissions, boards, offices, and programs for which an appropriation is made under this act are subject to the management and budget act, Act No. 431 of the Public Acts of 1984, being sections 18.1101 to 18.1594 of the Michigan Compiled Laws.

Sec. 203. For all projects and grant programs funded under this act, the commission of natural resources or the department of natural resources shall notify each legislator whose district is to receive a grant 7 days before the grants are announced.

Sec. 204. It is the intent of the legislature that the state shall make bonds issued pursuant to the environmental protection bond implementation act, Act No. 328 of the Public Acts of 1988, being sections

299.671 to 299.685 of the Michigan Compiled Laws, available to the citizens of the state by making a portion of the bonds available in denominations of \$500.00 or less, and shall otherwise encourage the participation of the citizens of the state in the investment in environmental protection bonds.

### **SURFACE WATER QUALITY**

Sec. 301. The appropriations in section 101 for environmental protection bond water pollution control revolving fund shall not be encumbered or expended until the department has reported to the senate and house appropriations subcommittees on natural resources those projects that have been approved for expenditure under this program.

Sec. 302. Loans provided by the water pollution control revolving fund are to be repaid on schedule and penalties assigned for delinquent repayment as provided in the state clean water assistance act, Act No. 317 of the Public Acts of 1988, being sections 323.451 to 323.470 of the Michigan Compiled Laws.

### **ENVIRONMENTAL RESPONSE**

Sec. 401. The expenditure of money under this act for environmental protection bond surface cleanup projects, alternative water supply projects, investigations, final cleanup design projects, and final cleanup projects does not preclude the use of private, federal, local, or other state funds on these projects.

Sec. 402. (1) The commission of natural resources shall annually report to the governor, the house and senate appropriations committees, the house and senate appropriations subcommittees on natural resources, the joint capital outlay subcommittee, the house and senate standing committees on natural resources, and the house and senate fiscal agencies on the progress of the environmental protection bond cleanups for which appropriations have been made under this act. This report shall include the criteria used for site selection; a list of sites funded, including the name, address, county, and telephone number of the recipient or participant; bond funded actions taken at each site; other sources of funds used at each site in addition to bond proceeds, including private actions or responsible party actions; the amount of funds committed for each site and actually expended at each site; further cleanup actions that may be anticipated at each site; and other information considered pertinent by the commission of natural resources.

(2) The annual report required under subsection (1) shall include a summary of all of the sites funded, organized by the type of remedial action undertaken at the site, the sources of funding for each site, the amount of funds committed for each site and actually expended at each site, the estimated amount of funds saved because of private actions and responsible parties, and staff costs associated with each site.

Sec. 403. The appropriation in section 101 for environmental protection bond final cleanup design projects and final cleanup projects shall not be encumbered or expended until final rules are promulgated under the environmental response act, Act No. 307 of the Public Acts of 1982, being sections 299.601 to 299.618 of the Michigan Compiled Laws.

Sec. 404. The appropriation in section 101 for environmental protection bond site reclamation loan and grant program shall not be encumbered or expended until the department has reported to the senate and house appropriations subcommittees on natural resources those projects that have been approved for expenditure by the commission of natural resources under this program.

Sec. 405. The unexpended portion of the appropriation in section 101 for environmental protection bond alternative municipal water supply projects, surface cleanup projects, site investigations, final cleanup design projects, final cleanup projects, operation and maintenance, and the site reclamation loan and grant program shall be considered work projects and shall not lapse to the environmental protection bond fund but continue to be available for the purposes appropriated.

Sec. 406. The appropriation in section 101 for contingencies-bottled water-act 307 emergencies shall not be encumbered or expended until the department has reported to the senate and house appropriations subcommittees on natural resources those projects that have been approved under this program.

### **WASTE MANAGEMENT**

Sec. 501. The commission of natural resources shall annually report to the governor, the house and senate appropriations committees, the house and senate subcommittees on natural resources, the joint capital outlay

subcommittee, the house and senate standing committees on natural resources, and the house and senate fiscal agencies the progress of resource recovery projects for which appropriations have been made under this act. This report shall include a listing of applicants for grant money; the criteria used for project selection; a list of projects funded including the name, address, county, and telephone number of the recipient or participant; bond funded actions taken on each project; other sources of funds used on each project in addition to bond proceeds, including private actions; the amount of funds expended for each project; further actions anticipated on each project; and other information considered pertinent by the commission of natural resources.

Sec. 502. The unexpended portion of the appropriation in section 101 for waste management projects shall be considered a work project and shall not lapse to the environmental protection bond fund but shall continue to be available for the purpose for which it was appropriated.

Sec. 503. The department shall include consideration of the overall financial solvency of a private business entity, and the percentage of state investment in project funding, when, as part of solid waste alternatives program requirement, an applicant demonstrates his or her capability to carry out a proposed project.

### **CAPITAL OUTLAY**

Sec. 601. The commission of natural resources shall annually report to the governor, the house and senate appropriations committees, the house and senate appropriations subcommittees on natural resources, the joint capital outlay subcommittee, the house and senate standing committees on natural resources, and the house and senate fiscal agencies the progress of state park recreation bond projects for which appropriations have been made under this act. This report shall include a list of bond funded actions taken on each project; other sources of funds used in addition to bond proceeds, including private actions; the amount of funds expended for each project; further actions anticipated on each project; and other information considered pertinent by the commission of natural resources.

Sec. 602. The unexpended portion of the appropriation in this act for state park recreation bond projects shall be considered a work project and shall not lapse to the recreation bond fund but shall continue to be available for the purpose for which it was appropriated.

### **FOREST RESOURCE MANAGEMENT**

Sec. 701. The funds appropriated in section 101 for tree planting grants are from the federal small business administration (sba) to involve small businesses in the planting and maintenance of trees on state and local government lands. State matching funds shall be made available from existing department funds and the program shall be administered by the forest resource management division-private forest development section.

This act is ordered to take immediate effect.

.....  
Clerk of the House of Representatives.

.....  
Secretary of the Senate.

Approved.....

.....  
Governor.
