Sec. 3. The department of natural resources shall enter into agreements with local units of government for the purpose of administering the grants identified in section 1. Among other provisions, the agreements shall require that grant recipients agree to dedicate to public recreation uses in perpetuity the lands acquired; to replace lands converted or lost to other than public recreation use; and to convey to the state any mineral interests acquired by the grant recipient with an exception allowed for a share of the mineral interests acquired, which share is based on the portion of the fair market value of the property that was provided by the local cash contribution of the grant recipient. The agreements shall also provide that full payments of grants be made only after proof of acquisition is submitted by the grant recipient and all costs are verified by the department of natural resources.

Sec. 4. The department of natural resources shall take steps necessary to make available federal or other funds that may become available for the purpose for which appropriations are made in section 1, and to use any or all of the appropriations to meet matching requirements which are determined to be in the best interest of the state.

Sec. 5. Any unobligated balance in any appropriation made under section 1 shall not revert to the fund from which appropriated at the close of the fiscal year, but shall continue until the purpose for which it was appropriated is completed. The unexpended balance of any appropriation made in section 1 remaining after the purpose for which it was appropriated is completed shall revert to the Michigan natural resources trust fund and be made available for appropriation.

Sec. 6. If a person or organization has acquired an option on a parcel of property prior to final determination by the department of natural resources and the Michigan natural resources trust fund board, the property shall not be considered for acquisition unless the department and board can demonstrate that a clear recreational advantage exists in obtaining the parcel of property for the people of the state at a reasonable fair market value.

Sec. 7. As required by section 4(3) of the Michigan natural resources trust fund act, Act No. 101 of the Public Acts of 1985, being section 318.504 of the Michigan Compiled Laws, the grants-in-aid to local units of government shall be awarded pursuant to this act.

Sec. 8. The appropriation in section 1 (Priority No. 41) for various water access sites land acquisition (#91-001) shall not be expended for land acquisition on a lake not specifically identified.

Sec. 9. This section applies to previously approved projects to expand the scope of the program statement:

(a) Public Act No. 186 of 1990, priority #13: to include Craig Lake State Park, Baraga and Marquette counties.

(b) Public Act No. 32 of 1991, priority #13: to include Bond Falls.

This act is ordered to take immediate effect.
