Sec. 2. Upon notification by the United States government that a federal military installation in this state is to be closed, and upon resolution by the township board of the charter township having jurisdiction over the entire area of the military installation requesting the establishment of a base conversion authority, the governor may create by executive order such an authority pursuant to this act, within the department. The sole function of the authority is to serve as a holding and maintenance agency to receive property and assets from the United States department of defense and the state of Michigan.

Sec. 3. (1) The authority shall consist of 7 voting members who shall be appointed by the governor, with the advice and consent of the senate. The director of public health or his or her authorized representative shall serve as an ex officio member without vote. The members shall be as follows:

(b) One member who is the township supervisor of the township in which the majority of the land area of the military installation is located, or the member's designee.

(c) The township supervisor of the charter township immediately south of, and having contractual agreements for municipal utilities service with, the township described in subdivision (b).

(d) The director of commerce, or the director's designee.

(e) The director of the department of natural resources, or the director's designee.

(f) One member who is a representative of a local financial institution located within the county in which the military installation is located.

(g) The president of the chamber of commerce which serves the township in which the military installation is located.

(2) The authority shall exist for 5 years, with additional 2-year extensions if each extension is provided by concurrent resolution of the state legislature.

(3) A member of the authority described in subsection (1)(a) to (c) shall serve while the member holds the respective office specified in that subsection. All other members shall serve at the pleasure of the governor. A vacancy shall be filled in the same manner as the original appointment.

(4) The authority shall hold an annual meeting each January. Additional meetings may be conducted as are necessary. At least 1 meeting a year shall be held on the military installation. At a meeting of the authority a majority vote of all members appointed and serving is necessary for a decision. A quorum consists of a majority of the members.

(5) The per diem compensation of the authority and the schedule for reimbursement of expenses shall be established by the legislature. This subsection shall apply only to the members of the authority described in subsection (1)(a), (b), (c), (f), and (g).

(6) The authority shall elect annually from its membership a chairperson, a vice-chairperson, a secretary, and a treasurer. The authority may employ experts, consultants, administrative staff, and other personnel the authority considers necessary in the performance of its responsibilities under this act.

Sec. 6. (1) The authority is a body corporate which may sue and be sued, plead and be impleaded, contract and be contracted with, and carry out all powers granted it. The authority shall be considered a governmental unit of this state for purposes of Act No. 223 of the Public Acts of 1909, as amended, being sections 211.461 to 211.462 of the Michigan Compiled Laws, and a public entity for purposes of Act No. 317 of the Public Acts of 1968, being sections 15.321 to 15.330 of the Michigan Compiled Laws.

(3) An authority shall be considered a public body and have those powers necessary to effectuate the purposes of this act. A grant of power to an authority shall not be construed as a limitation but rather as an extension of the power of the authority.

Sec. 7. The sole function of the authority is to serve as a holding and maintenance agency to receive property and assets from the United States department of defense and the state of Michigan. In order to carry out this function, the authority may exercise the powers relative to that property as described in section 8.

Sec. 8. The authority may:

Sec. 9. Before February 1 in each year, the authority shall file an annual report with the governor, the legislature, and a township board of trustees having jurisdiction, setting forth its activities, receipts, expenditures, business considered, meetings, and progress during the immediately preceding year ending December 31.

Sec. 10. Upon dissolution of an authority, the property, books, records, files, and funds of the authority shall become property of the township and shall be held or disposed of by the township in a manner prescribed by law.
