Sec. 629e. (1) In addition to any fine or cost ordered to be paid under this act, and in addition to any assessment levied under section 907, the judge, district or municipal court referee, or district or municipal court magistrate shall levy a highway safety assessment of \$5.00 and a secondary road patrol and training assessment of \$5.00 for each civil infraction determination for a moving violation. Upon payment of the assessments, the clerk of the court shall transmit the assessments levied to the department of treasury. The state treasurer shall deposit the revenue received pursuant to this subsection in the highway safety fund and in the secondary road patrol and training fund, and shall report annually to the legislature all revenues received and disbursed under this section. An assessment levied under this subsection shall not be considered a civil fine for purposes of section 909.

(2) A highway safety fund and a secondary road patrol and training fund are created in the department of treasury. The funds shall be administered by the department of state police. Money collected under subsection (1) shall be deposited in the respective funds as provided in subsection (1). The money in the highway safety fund shall be used by the department of state police for the employment of additional state police enlisted personnel to enforce the traffic laws on the highways and freeways of this state.
