

HOUSE BILL No. 6130

September 24, 1992, Introduced by Rep. Hollister and referred to the Committee on Public Health.

A bill to provide for a health plan with universal access; to provide for certain powers and duties; to provide for certain powers and duties of certain state offices and agencies; and to provide for an appropriation.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. This act shall be known and may be cited as
2 "Michicare".

3 Sec. 3. As used in this act:

4 (a) "Department" means the department of public health.

5 (b) "Global budget" means an annual budget that includes all
6 expenses other than capital expenditures.

7 (c) "Health care facility" means a hospital, nursing home,
8 county medical care facility, hospice, health maintenance
9 organization, freestanding surgical outpatient facility, clinical
10 laboratory, community health center, migrant health center,

1 ambulance operation, advanced mobile emergency care service, or
2 limited advanced mobile emergency care service.

3 (d) "Health care provider" means a health care facility or a
4 person who is licensed or otherwise authorized under article 15
5 of Act No. 368 of the Public Acts of 1978, being sections
6 333.16101 to 333.18838 of the Michigan Compiled Laws, to provide
7 health care to individuals.

8 (e) "Health maintenance organization" means an entity that
9 delivers health services that are medically indicated to enroll-
10 ees under the terms of a health maintenance contract, directly or
11 through contracts with affiliated providers, in exchange for a
12 fixed sum or per capita payment, without regard to the frequency,
13 extent, or kind of health services, and that is responsible for
14 the availability, accessibility, and quality of the health serv-
15 ices provided.

16 (f) "Hospice" means a health care program that provides a
17 coordinated set of services rendered at home or in outpatient or
18 institutional settings for individuals suffering from a disease
19 or condition with a terminal prognosis.

20 (g) "Hospital" means a facility offering inpatient, over-
21 night care, and services for observation, diagnosis, and treat-
22 ment of an individual with a medical, surgical, obstetric, chron-
23 ic, or rehabilitative condition requiring the daily direction or
24 supervision of a physician. The term includes a sanatorium fall-
25 ing within the definition of "hospital" in title XVIII.

1 (h) "Nurse specialist" means a registered nurse who has
2 received a specialty certification as a nurse midwife, nurse
3 anesthetist, or nurse practitioner.

4 (i) "Participating provider" means a health care provider
5 who signs a participation agreement developed pursuant to
6 section 7(2) authorizing him or her to receive payment from the
7 plan by means of a global budget, capitation amounts, or fee for
8 service, for furnishing covered services to plan members.

9 (j) "Physician" means an individual licensed in this state
10 to engage in the practice of medicine or osteopathic medicine and
11 surgery.

12 (k) "Plan" means the health plan established by this act.

13 (l) "Resident" means a person domiciled in this state and
14 who has been domiciled in this state for not less than 30 days,
15 except that a newborn domiciled in this state is a resident from
16 the moment of birth.

17 (m) "Title XVIII" means title XVIII of the social security
18 act, chapter 531, 49 Stat. 620, 42 U.S.C. 1395 to 1395b, 1395b-2,
19 1395c to 1395i, 1395i-2 to 1395i-4, 1395j to 1395t, 1395u to
20 1395w-2, 1395w-4 to 1395zz, and 1395bbb to 1395ccc.

21 (n) "Title XIX" means title XIX of the social security act,
22 chapter 531, 49 Stat. 620, 42 U.S.C. 1396 to 1396f, and 1396i to
23 1396u.

24 Sec. 5. (1) There is created within the department a health
25 plan to provide comprehensive health care coverage to all resi-
26 dents of this state, using a unified, publicly funded, financing
27 mechanism.

1 (2) Every resident of this state is a member of the plan. A
2 nonresident of this state who is employed in this state may
3 choose to become a member by paying the requisite tax under sec-
4 tion 25.

5 (3) Membership in the plan does not impinge upon a member's
6 right to consent to or to refuse treatment or other services
7 offered under the plan.

8 (4) A member in the plan shall have free choice of health
9 care provider, but neither the member nor the health care pro-
10 vider shall receive any payment from the plan for services
11 rendered by a nonparticipating provider.

12 (5) The plan shall pay for covered services provided to a
13 plan member in the amounts and subject to the conditions as are
14 prescribed by rules promulgated under this act. Hospitals, nurs-
15 ing homes, community health centers, and migrant health centers
16 shall receive global budgets. Health maintenance organizations
17 shall be paid on a capitation basis. Other participating provid-
18 ers shall be directly reimbursed on a fee-for-service basis.

19 Sec. 7. (1) The department's goal in administering the plan
20 shall be to provide comprehensive health care coverage for all
21 plan members within the limits of dedicated revenues available,
22 to ensure access to covered services for all members, and to
23 ensure the quality of those services.

24 (2) The department shall do all of the following:

25 (a) Establish policies and procedures for the operation of
26 the plan and administer the plan.

1 (b) Develop a budget for the plan, with separate line items
2 for prevention, services, training, capital expenditures, and
3 administrative costs.

4 (c) Recommend and pursuant to public hearings implement cost
5 containment strategies consistent with the studies called for in
6 subdivision (w) that will provide controls on the total plan
7 budget.

8 (d) Develop a schedule of covered services, which shall
9 include those services listed in section 21. The department
10 shall hold public hearings as part of this process.

11 (e) Establish a review process for assessing and modifying
12 covered services and renegotiating the reimbursement schedule
13 based upon research on the effectiveness of particular health
14 tests and procedures required under subdivision (w).

15 (f) Assure that prevention and primary health care services
16 are available to all members and encourage all members to select
17 a primary health care provider to manage their care.

18 (g) Negotiate an annual, global budget with each participat-
19 ing hospital, nursing home, community health center, and migrant
20 health center.

21 (h) Negotiate a budget based on a capitation basis with each
22 participating health maintenance organization.

23 (i) After consultation and negotiation with health care pro-
24 viders, develop a reimbursement schedule for covered services.

25 (j) Decide which types of health care providers are eligible
26 to be participating providers.

1 (k) Create a plan fund, under department management, to
2 receive earmarked tax revenues and federal funds, and to pay for
3 covered services, capital expenditures, administrative costs, and
4 other costs allowable under this act.

5 (l) Seek necessary waivers, execute agreements, and comply
6 with requirements to enable all payments available under title
7 XVIII, title XIX, and other federal health programs to be cred-
8 ited to the plan.

9 (m) Establish procedures for the handling and accounting of
10 plan assets and money.

11 (n) Develop a system to handle claims in an expeditious
12 manner to avoid undue delay in participating providers receiving
13 payment.

14 (o) Develop and implement a program to publicize the plan's
15 existence, the services covered, and how and where to obtain
16 these services. All printed material shall be in language and in
17 languages that plan members can understand.

18 (p) Develop interdepartmental agreements with the depart-
19 ments of social services, mental health, and transportation to
20 facilitate access to services.

21 (q) Develop a participation agreement for providers that
22 includes, but is not limited to, all of the following:

23 (i) Agreement not to discriminate against plan members on
24 the basis of race, sex, age, ethnicity, handicap, or income.

25 (ii) Agreement to honor patients' rights.

26 (iii) Agreement to establish a means for plan members to
27 gain access to their own medical records.

1 (r) Establish procedures under which members and providers
2 may appeal decisions to an impartial body on issues of eligibili-
3 ty, medical necessity, and reimbursement amount.

4 (s) Provide an effective system of quality assurance and
5 develop agreements with medical providers to establish protocols
6 on peer review and medical provider discipline.

7 (t) Provide a system to ensure the confidentiality of member
8 identified records.

9 (u) File an annual report with the governor, the secretary
10 of the senate, and the clerk of the house of representatives.
11 The report shall summarize the activities of the plan in the pre-
12 ceding calendar year, including a financial report of money
13 received, benefits paid, expenses of administration and other
14 payments, and data on complaints received about the plan. The
15 annual report shall be available to the public.

16 (v) Arrange for an independent, annual audit of plan
17 operations.

18 (w) Conduct studies, as necessary, on remaining problems of
19 access and steps necessary to address those problems; the effi-
20 cacy of cost containment measures in the plan; the effectiveness
21 of particular health tests or procedures; provider performance;
22 the general health of plan members; the effect of the plan on the
23 need for nursing home care; whether the plan has affected employ-
24 ment opportunities of plan members; and on any other health plan
25 related issue. All studies upon their completion shall be avail-
26 able to the public.

1 (x) Issue recommendations, as necessary, to the legislature
2 for changes to this act and other state law, and to congress for
3 changes in federal law, to improve access to health care, ensure
4 health care quality, and control health care costs.

5 (y) Promulgate rules pursuant to the administrative proce-
6 dures act of 1969, Act No. 306 of the Public Acts of 1969, being
7 sections 24.201 to 24.328 of the Michigan Compiled Laws, as nec-
8 essary to implement this act.

9 Sec. 9. (1) The department is authorized to pay for all of
10 the following out of plan funds:

11 (a) Member health care claims.

12 (b) Administrative expenses acquired under the plan.

13 (c) Capital expenditures of hospitals, nursing homes, commu-
14 nity health centers, and migrant health centers, that may include
15 construction, renovation, and equipment costs.

16 (d) Education aimed at health promotion and the prevention
17 of illness or injury.

18 (e) Part or all of the education and training expenses of
19 medical and nursing students and graduates in return for a com-
20 mitment to practice in medically underserved areas in this
21 state.

22 (f) Part or all of the malpractice premiums of participating
23 providers upon conditions set by the plan.

24 (2) The plan may provide funds to county health departments
25 to effect any plan goal.

26 Sec. 11. (1) The department may hire and supervise staff to
27 work for the plan, may enter into contracts necessary or proper

1 to carry out the provisions and purposes of this act, and may
2 contract for any of the tasks in section 7 if such action is cost
3 effective.

4 (2) The department may do all of the following:

5 (a) Enter into contracts with plans in other states for cov-
6 erage of emergency or urgent care of members while present in
7 other states, and for coverage of residents of other states while
8 present in this state.

9 (b) Pay for covered services received by a member in emer-
10 gency or urgent situations while in another state.

11 (c) Pay for covered services received by a nonmember in
12 emergency or urgent situations and seek reimbursement directly
13 from the nonmember and through subrogation from a third party
14 payer.

15 (d) Make loans to providers for start-up costs of an indi-
16 vidual or group practice in medically underserved areas in this
17 state.

18 (e) Invest plan funds as permitted by law.

19 Sec. 13. (1) A physician, nurse specialist, or other eligi-
20 ble health care provider may become a participating provider by
21 signing a participation agreement. A participating provider
22 shall be eligible for reimbursement for covered services provided
23 to a plan member that are within the scope of authorized practice
24 of the individual or institution providing the services.

25 (2) The plan shall revoke the right of participation of any
26 health care provider who loses his or her license or who is
27 convicted of health care fraud.

1 Sec. 15. Each participating hospital, long-term care
2 facility, community health center, and migrant health center
3 shall negotiate with the plan for an annual budget based on past
4 performance and projected changes in the number or scope of
5 services. Requests for payment of capital costs shall be submit-
6 ted separately through the certificate of need process.

7 Sec. 17. A participating provider that is not paid on a
8 capitation basis or by global budget shall submit his or her
9 accounts for payment of covered services performed for plan mem-
10 bers directly to the plan for payment and shall look solely to
11 the plan for payment of services rendered under the plan.

12 Payment by the plan shall constitute payment in full for the
13 service. A participating provider shall not collect from a plan
14 member any money for a covered service rendered under the plan.

15 Sec. 19. The department shall design and maintain a system
16 of processing claims to ensure that providers receive timely pay-
17 ment in the correct amount for allowable claims with a minimum of
18 paperwork.

19 Sec. 21. Covered services shall include at least the fol-
20 lowing services if medically necessary:

21 (a) Hospital services, including in-patient hospitalization
22 for the treatment of mental and emotional disorders.

23 (b) Professional services for health maintenance, preven-
24 tion, diagnosis and treatment of injuries, illnesses, and
25 conditions. Treatment shall include services for acute care,
26 rehabilitation, and health maintenance.

- 1 (c) Outpatient mental health services.
- 2 (d) Community based long-term care, including respite care.
- 3 (e) Nursing home services.
- 4 (f) Services of a licensed hospice.
- 5 (g) Services of a home health agency.
- 6 (h) Services by a licensed ambulance or emergency medical
7 treatment team.
- 8 (i) Dental services.
- 9 (j) Prenatal care, well child care, and immunizations.
- 10 (k) Rehabilitative services, including physical, occupation-
11 al, and speech therapy.
- 12 (l) Diagnostic tests, including hearing and vision
13 examinations.
- 14 (m) Prescription drugs.
- 15 (n) Blood and blood products, anesthetics, and oxygen.
- 16 (o) Orthoses and prostheses.
- 17 (p) Eyeglasses, hearing aids, and rental or purchase of
18 durable medical equipment.
- 19 (q) Diagnostic X rays and laboratory tests.
- 20 Sec. 23. An insurance policy, certificate, or contract that
21 provides reimbursement on an expense-incurred or indemnity basis
22 for any service or services covered under the plan shall not be
23 sold to a plan member.
- 24 Sec. 25. The plan shall be funded through a payroll tax on
25 employers, an income tax on individuals, and federal funds.
- 26 Sec. 27. Each year the legislature shall appropriate to the
27 plan the amount of all earmarked taxes, the amount of all federal

1 funds for health care anticipated to be received, and additional
2 funds the legislature shall consider appropriate. The earmarked
3 taxes and federal funds shall not be appropriated by the state
4 for other purposes.

5 Sec. 29. The plan shall begin operation on January 1,
6 1995.
