20 Sec. 201. (1) In accordance with the provisions of section

21 30 of article IX of the state constitution of 1963, total state

22 spending in this act is \$25,220,500.00 and state spending to be paid

23 to units of local government is as follows:Department of Military

24 Affairs

25 Payments in lieu of taxes..... \$ 67,500

26 Total..... \$ 67,500

1           (2) When it appears to the principal executive officer of each  
2 department that state spending to local units of government will be  
3 less than the amount that was projected to be expended for any quarter,  
4 the principal executive officer shall immediately give notice of the  
5 approximate shortfall to the department of management and budget,  
6 the senate and house appropriations committees, and the senate and  
7 house fiscal agencies.

8           Sec. 202. The appropriations made and the expenditures authorized  
9 under this act and the departments, agencies, commissions, boards,  
10 offices, and programs for which an appropriation is made under this  
11 act are subject to the management and budget act, Act No. 431 of the  
12 Public Acts of 1984, being sections 18.1101 to 18.1594 of the Michigan  
13 Compiled Laws.

14           Sec. 203. (1) It is the intent of the legislature that the funds  
15 appropriated in section 101 will permit the department to carry out  
16 each program for the entire fiscal year, unless a shorter period is  
17 provided in law.

18           (2) The department shall not make or authorize an expenditure  
19 or incur an obligation that exceeds or results in spending that will  
20 exceed the amount appropriated in section 101 or as otherwise provided  
21 by law.

22           (3) In consultation with the department of management and budget,  
23 the department shall, for each appropriation, develop a spending plan  
24 allotting the amount appropriated over the full 12 months of the 1991-  
25 1992 fiscal year.

26           (4) The department director shall advise the director of the

1 department of management and budget if an appropriation in section  
2 101 or otherwise provided by law will not permit that department to  
3 carry out the program specified by line item mandated by the  
4 legislature for the entire fiscal year. The department director shall  
5 consider both the amount appropriated for each line item and the  
6 sufficiency of projected sources of financing when deciding whether  
7 the appropriation will last the entire fiscal year. If the director  
8 of the department of management and budget concurs with the projections  
9 of that department, the director shall advise the chairpersons of  
10 the senate and house appropriations committees, and the chairpersons  
11 of the appropriate appropriations subcommittees that an amount  
12 appropriated in section 101 or as otherwise provided by law will not  
13 permit that department to carry out the program mandated by the  
14 legislature for the entire fiscal year.

15 (5) If both the appropriations committees disagree with the  
16 conclusion of the director within 10 days, the house fiscal agency  
17 and senate fiscal agency shall immediately publish estimates of whether  
18 the amount appropriated, including all sources of financing assumed  
19 in the appropriation, will permit that department to carry out the  
20 program mandated by the legislature for the entire fiscal year.

21 (6) If the legislature does not act within 30 days after the  
22 notice from the director provided in subsection (4) to reduce the  
23 mandated level of service, authorize the program to end before the  
24 fiscal year is completed, or increase the amount of the appropriation,  
25 that department shall reduce the rate of spending in order to carry  
26 out the legislature's intent that the program be carried out for the

1 full fiscal year.

2 Sec. 204. As used in this act:

3 (a) "DOD" means the United States department of defense.

4 (b) "FTE" means full-time equated.

6 utilize a portion of the \$47,700.00 appropriated in section 101 for  
7 disbursing officers to provide incentive payments to national guard  
8 recruiters as long as this expenditure does not require a supplemental  
9 appropriation or transfer of appropriations to this account.

10 Sec. 206. (1) Pursuant to the DMA provisions of civil service  
11 rules and regulations and applicable collective bargaining agreements,  
12 individuals seeking employment with the department shall submit to  
13 a controlled substance test. The test shall be administered by the  
14 department.

15 (2) Individuals seeking employment with the department who refuse  
16 to take a controlled substance test or who test positive for the  
17 illicit use of a controlled substance on such a test shall be denied  
18 employment by the department for a minimum of 1 year.

19 Sec. 207. (1) The \$2,819,100.00 appropriated in section 101 for  
20 grants to veterans service organizations shall be used only for  
21 salaries, wages, related personnel costs, training, and equipment  
22 for accredited veteran service advocacy officers and necessary support  
23 and managerial staff. Training shall be provided for service advocacy  
24 officers and shall be conducted by accredited advocacy officers.

26 101, a veterans service organization shall meet the following

1 eligibility requirements:

2 (a) Be congressionally chartered by the United States congress.

3 (b) Be an active participating member of the Michigan veterans  
4 organizations' rehabilitation and veterans service committee and abide  
5 its rules, guidelines, and programs.

6 (c) Demonstrate the receipt of monetary or service support from  
7 its own organization.

9 audits, service work activity, accounting of recoveries, listing of  
10 volunteer hours, budget requests, and other requirements specified  
11 by law.

12 (e) For a veterans service organization founded after September  
13 30, 1989, be in operation and providing service to Michigan veterans  
14 for not less than 2 years prior to receiving an initial state grant.  
15 During this 2-year period of time, the organization shall file a  
16 listing of service work activity and an accounting of recoveries with  
17 the senate and house fiscal agencies and the senate and house  
18 subcommittees on military affairs on forms as described by the Michigan  
19 veterans organizations' rehabilitation and veterans service committee.

20 (3) A veterans service organization receiving a grant from the  
21 funds appropriated in section 101 shall file with the department of  
22 military affairs by January 1, 1992 a certified accounting of  
23 expenditures of the funds appropriated for the fiscal year ending  
24 September 30, 1991, a listing of all service work activity, an  
25 accounting of recoveries, a listing of volunteer hours, and a detailed

2 appropriated in section 101 shall use the forms recommended by the  
3 Michigan veterans organizations' rehabilitation and veterans service  
4 committee for filing reports required by this act. The department  
5 of military affairs shall forward information required under this  
6 section to the senate and house fiscal agencies and to the senate  
7 and house appropriations subcommittees on military affairs with the  
8 budget request for the fiscal year ending September 30, 1993.

9 (4) The audit review board created in section 207(3) of Act No.  
10 301 of the Public Acts of 1988 shall review and monitor the grant  
11 eligibility requirements in subsection (2) and the information required  
12 in subsection (3) for effectiveness and efficiency upon request of  
13 the senate and house appropriations subcommittees on military affairs.

14 (5) Automatic increases shall not be considered by the legislature  
15 for the fiscal year beginning October 1, 1991. It is the intent of  
16 the legislature that each veterans service organization's budget for  
17 the fiscal year 1991-92 shall be judged individually based upon program  
18 effectiveness and efficiency.

19 Sec. 208. Funds appropriated in section 101 for the military  
20 duty contingency fund shall be used to fund nonfederally supported  
21 missions of the national guard when called to state duty.

26 management and budget act, Act No. 431 of the Public Acts of 1984,
