28	Sec. 202. The appropriations made and the expenditures authorized

3 are subject to the management and budget act, Act No. 431 of the Public
4 Acts of 1984, being sections 18.1101 to 18.1594 of the Michigan Compiled
5 Laws.

6 Sec. 203. As used in this act:

7 (a) "DOD" means the United States department of defense.

8 (b) "FTE" means full-time equated.

9 Sec. 204. The amounts appropriated for utilities and that portion
10 of contractual services, supplies, and materials used to pay for utility
11 service to state facilities in section 101 may be expended in a manner

20 apply to internal transfers of classified employees from one position to
21 another within a department.

22 (2) The director of the department of management and budget shall
23 grant exceptions to this hiring freeze when the director believes that
24 such a hiring freeze will result in rendering a state department or
25 agency unable to deliver basic services, cause loss of revenue to the
26 state, result in the inability of the state to receive and expend federal
27 funds, or necessitate additional expenditures that exceed any savings
28 from maintaining a vacancy.

1 Sec. 206. (1) The state military board may dispose of Michigan
2 national guard armories, facilities, or lands under the jurisdiction of
3 the state military establishment if, in the state military board's
4 judgment, the armory, facility, or land is obsolete, inadequate,

8 local units of government, or the federal government.

9 (2) Disposal of armories, facilities, or land under this section
10 shall be in accordance with policies established by the state military
11 board and in accordance with procedures established by the department of
12 management and budget. Each disposal action also shall be subject to
13 approval by the state administrative board.

14 (3) The Michigan national guard armory construction fund is created
15 as a separate fund in the state treasury. This fund shall be for the
16 purpose of acquiring facilities and training lands, constructing new
17 facilities, and renovating existing facilities. All money received from
18 sales or exchanges under this section shall be deposited by the state
19 treasurer in the Michigan national guard construction fund. Money in the
20 fund shall not revert to the general fund at the close of the fiscal year
21 but shall remain in the fund.

2 grants to veterans service organizations shall be used only for salaries,
3 wages, related personnel costs, training, and equipment for accredited
4 veteran service advocacy officers and necessary support and managerial
5 staff. To receive a grant from the funds appropriated in section 101,
6 a veterans service organization shall comply with the department of
7 military affairs' requirements of accounting audits, service work
8 activity, accounting of recoveries, listing of volunteer hours, and
9 budget requests.
