13 department in its proposed program statement dated October 16, 1981, and
14 in the "prenatal postpartum care, proposed basic health service program
15 statement" included in the department document entitled "A Study of
16 Prenatal Care as a Basic Service," dated March 1, 1986, and for which the
17 legislature has made funds available in amounts necessary to ensure their
18 availability and accessibility. The services described in the statement
19 are: immunizations, communicable disease control, venereal disease
20 control, tuberculosis control, prevention of gonorrhea eye infection in
21 newborns, screening newborns for phenylketonuria, screening newborns for
22 hypothyroidism, health/medical annex of emergency preparedness plan,
23 licensing and surveillance of agricultural labor camps, and prenatal
24 care.

25 Sec. 205. The amounts appropriated in section 101 for utilities and
26 that portion of contractual services, supplies, and materials used to pay
27 for utility service to state facilities may be expended in a manner
28 consistent with section 253 of the management and budget act, Act No.
29 431 of the Public Acts of 1984, being section 18.1253 of the Michigan
30 Compiled Laws.

1 Sec. 206. The department may expend funds in addition to those
2 authorized in section 101 for conducting training and orientation
3 workshops, seminars, and special conferences that are consistent with the
4 programmatic mission of the departmental agency sponsoring the program.

5 Sec. 207. The department shall not pay for billings received from
6 any contractor or provider of services that are submitted more than 12
7 months after the services are rendered.

8 Sec. 208. The department is authorized to transfer funds from other
9 accounts in section 101 into the communities first pilot projects line
10 item in order to support any such pilot projects. Such transfers shall
11 be subject to the provisions of Act. No. 431 of the Public Acts of 1984.

12 Sec. 209. (1) Beginning October 1, 1992, there shall be a hiring
13 freeze imposed on the state classified civil service. State departments
14 and agencies shall be prohibited from hiring any new full-time state
15 classified civil service employees or prohibited from filling any vacant
16 state classified civil service positions. This hiring freeze does not
17 apply to internal transfers of classified employees from one position to
18 another within a department.

19 (2) The director of the department of management and budget shall
20 grant exceptions to this hiring freeze when the director believes that
21 such a hiring freeze will result in rendering a state department or
22 agency unable to deliver basic services, cause loss of revenue to the
23 state, result in the inability of the state to receive and expend federal
24 funds, or necessitate additional expenditures that exceed any savings
25 from maintaining a vacancy.

26 EXECUTIVE SERVICES

27 Sec. 301. The department may receive and expend federal and other
28 restricted grants and awards from the amounts appropriated in section 101
29 for federal and other restricted assistance for health services.
30 Expenditures from federal or other restricted allotments shall not result

1 in any new expenditure of state general fund money.

2 COMMUNICABLE DISEASE CONTROL

3 Sec. 401. State funds appropriated in any other account in section
4 101 may be used to supplant not more than \$350,000.00 in federal funds
5 projected for immunization, if the federal funds are unavailable.

6 BIOLOGIC PRODUCTS

7 Sec. 501. Charges for activities related to contracts for projects
8 and biologic products may be made to other operational accounts in the
9 laboratory and biologic products appropriation units.

10 COMMUNITY ENVIRONMENTAL HEALTH

11 Sec. 601. The department shall review and certify laboratories used
12 or intended for use in the testing of water from public water supplies
13 in accordance with section 11 of the safe drinking water act, Act No.
14 399 of the Public Acts of 1976, being section 325.1011 of the Michigan
15 Compiled Laws. The department may charge a fee for the review and
16 certification. The review and certification fees charged by the
17 department shall not exceed the fees charged by the national sanitation
18 foundation for laboratory accreditation before the effective date of this
19 section. The costs of the review and certification program shall not
20 exceed the total amount collected from the fees.

21 Sec. 602. (1) The department shall not reimburse a claim by an
22 operator of an agricultural labor camp pursuant to sections 12431 and
23 12432 of the public health code, Act No. 368 of the Public Acts of 1978,
24 being sections 333.12431 and 333.12432 of the Michigan Compiled Laws,
25 from the amount appropriated in section 101 for migrant labor housing
26 grants, until that portion of the labor camp utilized for migrant housing
27 is in compliance with all state statutes and rules pertaining to the
28 licensure of migrant labor camps as determined by on-site inspections
29 both before and after occupancy.

30 (2) The amount appropriated in section 101 for migrant labor housing

1 grants expended by the department for remodeling projects shall only be
2 expended on remodeling projects started after January 1, 1986.

3 (3) An agricultural labor camp operator receiving a grant from the
4 department for remodeling from the amount appropriated in section 101 for
5 migrant labor housing grants shall not do either of the following:

6 (a) Convert a migratory housing unit that has been remodeled with
7 grant funding to a use other than for migratory housing within 3 years
8 after receipt of the grant.

9 (b) Charge rent to an occupant of a migratory housing unit that has
10 been remodeled with grant funding within 3 years after receipt of the
11 grant.

12 (4) If an agricultural labor camp operator violates subsection (4),
13 the department shall institute proceedings to recover the grant funds
14 from the operator.

15 (5) The department may also expend the amount appropriated in section
16 101 for migrant labor housing grants for construction of new migrant
17 labor housing. Project grants shall not exceed \$2,000.00 per unit. An
18 applicant is not eligible for more than a \$10,000.00 grant in any fiscal
19 year. Units shall be equivalent in construction to units approved by the
20 farmers home administration for low interest construction loans and shall
21 be not less than 484 square feet in size with a minimum of 1 bedroom, a
22 kitchen, flush toilet, lavatory, and bathing facilities.

23 HEALTH SYSTEMS

24 Sec. 701. The amount appropriated in section 101 for state/local
25 cost sharing may be used for special grants to local health departments
26 to satisfy minimum funding levels prescribed by section 2477 of the
27 public health code, Act No. 368 of the Public Acts of 1978, being section
28 333.2477 of the Michigan Compiled Laws, and any other authorized
29 supplement. The special grants shall not exceed a total of \$250,000.00.

30 CHILD AND FAMILY SERVICES LOCAL GRANTS

1 Sec. 801. Each family planning program receiving federal title X,
2 family planning funds shall be in compliance with all performance and
3 quality assurance indicators that the United States bureau of community
4 health services specifies as its common reporting requirements. An
5 agency not in compliance with the indicators shall not receive
6 supplemental or reallocated funds.

7 CRIPPLED CHILDREN SERVICES

8 Sec. 901. Money appropriated in section 101 for medical care and
9 treatment of crippled children shall be paid according to reimbursement
10 policies determined by the Michigan medical assistance program.
11 Exceptions to these policies may be taken with the prior approval of the
12 department of management and budget.

13 Sec. 902. The department may do 1 or more of the following:

14 (a) Provide special formula for eligible clients with specified
15 metabolic and allergic disorders.

16 (b) Provide medical care and treatment to eligible patients with
17 cystic fibrosis who are 21 years of age or older.

18 (c) Provide genetic diagnostic and counseling services for eligible
19 families.

20 (d) Provide medical care and treatment to eligible patients with
21 hereditary coagulation defects, commonly known as hemophilia, who are 21
22 years of age or older.

23 SUBSTANCE ABUSE GRANTS AND CONTRACTS

24 Sec. 1001. The funds appropriated in section 101 for the SAPE
25 program shall be used to support regional drug education programs through
26 contracts with selected intermediate school districts. These state funds
27 shall not be expended unless the intermediate school district
28 appropriates an amount equal to 10% of the total program.
