**A SUMMARY OF HOUSE BILL 4005 AS INTRODUCED 2-2-93**

The bill would amend the Social Welfare Act to require the Department of Social Services (DSS) to reimburse a physician for the proportion of his or her malpractice insurance premium that is the same as the proportion of Medicaid-eligible or uninsured patients in his or her practice. A physician seeking reimbursement under the bill would have to send an affidavit for the previous calendar year as prescribed by the bill. The DSS would have to amend the state plan as necessary to implement the bill, and would have to promulgate rules to implement the bill.
