ANNUAL DNR REPORT

House Bill 4029

Sponsor: Rep. Tom Alley

**Committee: Conservation, Environment
and Great Lakes**

Complete to 2-8-93

A SUMMARY OF HOUSE BILL 4029 AS INTRODUCED 2-2-93

The bill would amend Public Act 17 of 1921, which establishes the Department of Natural Resources, to require annual reports (during the first week of March) by the director of the DNR to a joint meeting of the committees of the Senate and the House of Representatives responsible for natural resources and environmental issues. The director would be required to report on: (a) all policies of the department or of the Commission of Natural Resources that had been developed or updated during the previous year, (b) on the department's activities during the previous year, and (c) on hunting and fishing license fee revenues and where that money was spent. The director would have to submit copies of all policies reported on to members of the committees and, if requested by one or more members of the committees, copies of any or all of the department's and commission's policies.
